LACC VETERANS

ABOUT

The **Veterans Resource Center (VRC)** promotes an attitude of collaboration within the campus and surrounding community to increase awareness and sensitivity to issues concerning veterans. The goal of the program is to create an encouraging environment by acknowledging, honoring, and addressing veterans' unique needs, while helping them attain their educational goals.

VETERAN COUNSELING

U.S. VETS Outside the Wire provides free counseling and mental health services to student veterans and their family members. Common reasons for seeking therapy include stress, depression, anxiety, PTSD, Military Sexual Trauma, difficulty with sleep or concentration, and problems adjusting to civilian life. A licensed psychotherapist from Outside the Wire is available on campus. Please contact the VRC for the therapist's most current schedule.

VA VSOC

LACC participates in the **VA VSOC (VetSuccess On Campus)** program. The VSOC program aims to help student veterans and their qualified dependents succeed and thrive through a coordinated delivery of on-campus benefits assistance and counseling leading to completion of their education and preparing them to enter the labor market in viable careers.
