PROFESSIONAL THEATRE TRAINING AT LACC

Established in 1929, the theatre training program at Los Angeles City College is one of the oldest and most respected training programs in the country.

Congratulating the program that has been in existence for over 70 years, Former President Bill Clinton recently wrote concerning the excellence within the field of the performing arts, "The strength of your organization today exemplifies the ongoing commitment to professionalism that inspired your founders." Further, the Los Angeles Drama Critics Circle gave LACC a Special Award for "maintaining consistently high standards of programming and production."
