No Selection

If you're an undocumented student in the United States, you have the option to choose "No Selection." This option is considered a valid response and we recommend this choice for undocumented applicants, including those with DACA status.

- As an Undocumented/DACA student, it is recommended to select "**No Selection**" even if you are a citizen of another country.
- If you do not have a valid Social Security Number (SSN) or ITIN, please select "**NO**."
- Select "**YES**" if you have graduated from a California High School (this includes a high school diploma, GED, or certificate of proficiency).
- IF asked if you have lived in California your entire life and your answer is NO, please input the estimated month and year that you moved to California.
