FAQS Intersegmental General Education Transfer Curriculum (IGETC)

Q: What is the Intersegmental General Education Transfer Curriculum (IGETC)?

A: IGETC is a general education pattern which community college transfer students can follow to fulfill lower-division general education requirements for either the UC or CSU systems. This pattern is advisable for students who are undecided about their transfer goals because it keeps their options open. Many private/independent colleges/universities also recognize or accept IGETC.

Q: Is IGETC an admission requirement?

A: Not a requirement, but a consideration. IGETC is not an admission requirement. Completing it does not guarantee admission to the campus or program of choice. However, completing the lower-division breadth/general education requirements — whether through IGETC or the campus-specific requirements — may be considered by the campus in selecting among qualified applicants.

Q: What alternatives are there to IGETC?

A: Community college students who are CSU bound have the option to complete the CSU General Education Breadth requirements. Students who are UC bound have the option of completing the general education requirements of the specific UC campus or complete the minimum UC transfer admission requirements (7 course breadth requirements) as listed on assist.org.

Q: Is it advisable for all transfer students to follow IGETC?

A: NO. Not all majors should follow IGETC. Students pursuing majors that require extensive lower-division major preparation (e.g., Engineering, Physics, Chemistry, Computer Science, etc.) may not find IGETC advantageous, and the transfer institution may advise following the minimum 7-course pattern for UC eligibility. For more info please visit the UC Admissions website.

Q: Will all UC and CSU campuses accept IGETC?

A: Requirements vary. Each school and college at every UC and CSU have their own general education requirements. With careful planning, students can meet many of the lower-division requirements before they transfer. Students at a California community college also have the option of completing the Intersegmental General Education Transfer Curriculum (IGETC) to satisfy the lower-division general education requirements at UC campuses. For more info please visit the UC Admissions website.

Q: Can I use Advanced Placement (AP) exams for IGETC?

A: YES. AP exams may be applied to IGETC with passing scores. For details, see the UC AP Chart or LACCD EREG-110.

Q: Can I use evaluated foreign college transcripts for IGETC certification?

A: NO. Courses from foreign institutions cannot be used in the certification process; however, approved international courses can be evaluated at the receiving UC and applied to UC Campus-specific breadth requirements.

Q: What is "IGETC Certification" and how do I request it?

A: IGETC certification is the process by which the community college verifies that a student has completed all the required coursework for the IGETC pattern (partial completion is possible, if missing up to two courses). Documentation is sent directly to the transfer institution. If IGETC is not certified, students will be subject to the lower-division general education requirements of the UC campus. To request IGETC certification, the student must set up an appointment with a counselor to complete the request and have the Articulation Office sign off for official approval. Or please have students go to the Online Petition.

1. Minimum of 60 semester or 90 quarter UC transferable units with a cumulative grade point average of 2.4 or higher.
2. All courses taken to meet IGETC requirements must be completed with a grade of "C" or better.
3. The minimum UC 7-course pattern includes 2 courses in English composition; 1 course in Mathematical Concepts & Quantitative Reasoning; 4 courses chosen from at least 2 of the following subject areas: Arts & Humanities, Social & Behavioral Sciences, and Physical and Biological Sciences.
4. Students are highly encouraged to meet with a counselor to discuss the G.E. and lower division major requirements for transfer.
5. IGETC certification is governed by the CSU/UC systems. The Articulation Office serves as faculty designee and has final review of courses applied toward IGETC and must sign off to be officially certified.
6. This advisement sheet can be modified or updated from time to time. All UC/CSU transferable courses can be verified at the website: www.assist.org
