# **COLLEGE** *Catalog* 2021-22

## Accuracy Statement

**This is an addendum to the 2021-2022 Catalog. Included are curricular changes that took place after the 2021-2022 Catalog was published.**

The Los Angeles City College (LACC) catalog contains the academic and administrative policies and regulations that govern enrollment of students at LACC. Students are responsible for knowing the academic and administrative policies and regulations affecting their program of study and for abiding by all such policies and regulations during their period of enrollment at the college.

The college catalog is not an offer to enter into a contract. Although the college strives to assure the accuracy of the information in this catalog, the college and Los Angeles Community College District (LACCD) reserve the right to make modifications and updates as necessary.

## Student Responsibility To Be Informed

While LACC provides numerous support services to assist students, it remains the responsibility of the student to be familiar with the information presented in this catalog and to know and observe all policies and procedures.

Regulations will not be waived and exceptions will not be granted if a student pleads ignorance of policies or procedures.

## Catalog Rights

Students may elect to graduate under the requirements of the LACC catalog in effect at the time they began their study at LACC, any year in between as long as they maintain continuous attendance, or in the year they graduate from LACC.

Continuous attendance means enrollment in at least one semester per academic year in the LACCD, excluding summer and winter intersessions. Any academic record symbol (A-F, CR/NC, P/NP, I, IP, W, EW) shall establish enrollment. Students who do not have continuous attendance are considered returning students and must follow the catalog requirements in effect at the time of re-enrollment.

For purposes of implementing this policy, the college may authorize or require substitutions for discontinued courses, or require a student changing a major to complete the major requirements in effect at the time of the change.

## Alternative Publication Formats

Students with verifiable disabilities who require alternate formats of college publications should contact the Vice President of Student Services at (323) 953-4000 ext. 2460. The college will provide information in alternate text formats upon request in the timeliest manner possible.

The catalog and schedule of classes are available on the college website at [lacitycollege.edu](http://lacitycollege.edu).
