Good Evening Amazing LACC Students:

We hope you had a wonderful Spring Break and are prepared to start up online classes on Monday. The staff, faculty, and administration have worked together diligently to best prepare for all of you to begin online classes on Monday. As much as we have tried to anticipate what the needs will be for our faculty, our student, and our staff, there will be a host of things that we did not anticipate. It is my hope that this will not cause additional stress and anxiety for any of you. Whatever happens we will work together to resolve as quickly as possible. We have teams of people standing ready to help.

Please use our “hotline” to let us know your needs. We are monitoring the hotline and responding to them.

We will be monitoring these over the weekend and all next week (including our Cesar Chavez holiday on Tuesday).

REMEMBER: We are in this together and we are here to help you.

I hope that you are able to rest and relax this weekend before we push the restart button on Monday. If things seem frazzled and unorganized on Monday, just take a deep breath. We will all work together to get through this.

BELIEVE **ACHIEVE** **SUCCEED** We can do this!

Have a great weekend,
