

Office of the President

Date: May 8, 2020

Good Morning LACC Family:

I think we need a weekend away! Away from information, from statistics, from the bad news of the budgets, and most of all from thinking about the coronavirus.

This is Mother's Day weekend. Enjoy your mother, your wife, your daughter, your grandmother, your Aunt, your cousin, your sister and/or your girlfriend. Try not to think about "this." Monday will come soon enough...and it will include plenty of information. I am taking the weekend off – starting now. I hope you do, too.

BELIEVE ACHIEVE SUCCEED!

Be well and be safe,

Mary
