

Office of the President

Date: May 20, 2020

Good Morning LACC Family:

Today is the last day that you can send in to participate in the Class of 2020 Virtual Recognition Ceremony. Please follow this link for the information you need to participate: <https://www.lacitycollege.edu/Campus-Life/Office-of-Student-Life/documents/StudentVideoRecordingInstructions.pdf>

We are holding a special Town Hall next Tuesday, May 26, at 12:30. Our Life Skills Coach, Joe Exnowski, will be joined by one of the doctors from our Health Center provider, Wesley Clinic, to discuss COVID-19 and the effects of this pandemic on mental health. Everyone is invited. We have an expanded Zoom Room for up to 500 people – and this time we will double check to make sure it works.

We will have the Town Hall tomorrow (Thursday 5/21) and Tuesday and Thursday next week. Yesterday, I told you that I was going to go on hiatus for two weeks and not have Town Halls, but I changed my mind. I think there is still information coming in that I need to make you aware of, so I will have Town Halls every Thursday at 12:30 for you beginning Thursday, June 4th. That will continue throughout the summer. I know the week of Finals is very busy for you, so I completely understand if you have to miss the 6/4 Town Hall. In between Town Halls, I will send messages Mondays through Wednesdays. I am going to take Fridays off in the summer for a little break. I will be working some of them, but less structured.

The Black graduation ceremony was held yesterday virtually and it was another amazing event recognizing the accomplishments of our African American graduates. I gave shout-outs to our incredible African-American graduates who participated. It was fun to do that!

Bad news! The LA County new Locator website for wifi at: www.findwifi.lacounty.gov, no longer works. I went on it last Friday and it was really great; however, something happened and the link is now broken.

The LACC Virtual Recognition Ceremony will be held on [Tuesday, June 9 at 5:00 p.m.](#) I hope you plan to attend. Here is the website with all of the information about the virtual recognition ceremony: <https://www.lacitycollege.edu/Campus-Life/Office-of-Student-Life/Commencement/Virtual-Recognition>.

This time of year it seems as if we go at a frenetic pace. Keep yourselves healthy and get plenty of sleep.

BELIEVE ACHIEVE SUCCEED!

Be well and be safe,

Mary
