

**Scholarship Application Form**  
**LACC Physics and Engineering Department**

The Los Angeles City College Physics and Engineering department is pleased to offer a number of scholarships to LACC Physics and Engineering students. The scholarships are based on academic potential and academic achievement of students taking Physics and Engineering courses at LACC. There will probably be between 6 and 10 scholarships given out this year, with monetary values ranging from \$250 to \$1,000.

Return completed application to Mr. Dean Arvidson. **Scholarship applications must be received no later than 7:00 pm on the posted deadline date!!!**
