

COLLEGE CREDIT *in High School*

TAKE COLLEGE CLASSES - At Your High School Campus!

For \$0.00 Tuition, without leaving your high school, you may be able to take LACC college courses and earn both high school AND college credit. Some courses even give AP credit. You don't even have to leave school to enroll. LACC brings enrollment services and books to you. For more information, contact Dr.Merrill Eastcott 323-953-4000 ext. 2058

TAKE CLASSES AT LACC - While Still in High School

All LACC courses are open to high school students. Ask your high school counselor for enrollment information.

- Attend LACC while your high school classes are in session, during summer and winter break, or when you're off track.
- Courses available that count toward earning an Associate's or Bachelor's degree.
- Pre-college level classes to improve your performance in high school
- General interest classes (e.g. Music, Theater, Art, Fitness, Dance, Foreign Language, etc)

For more information, contact High School Outreach 323-953-4000 ext. 2310

GETTING READY FOR COLLEGE

Summer Bridge to College

This program is designed for high school seniors. Passing the Exit Exam or a diploma are not required to participate. The program helps students adjust to a college environment, learn about LACC's academic programs and services, and complete prerequisite classes.

For more information, contact EOP&S 323-953-4000 ext. 2310

"The program [Upward Bound] helped me to catch up on high school and I was able to get a head start on college classes." -- Former Manual Arts Student now attending UC Santa Cruz

Upward Bound

Provides high school students with career and college advisement, personal and academic skills development and monthly visits to local universities. In the summer, students spend 6 weeks taking college courses which will apply toward their AA and/or BA degrees.
