

Designed for WORKING ADULTS

Independently build the right part-time or full-time schedule for you.

Many of LACC's classes meet only one or two days per week or on weekends. Others run on an accelerated calendar of 8 weeks instead of the standard 15 weeks. We even offer several 8-day university transferable general education classes.

For information on these classes and online classes, check the "Blue Pages" section of our class schedule.

Structured Programs

ACT (Accelerated College Transfer)

was specifically created for working adults, like you, who are ready to commit themselves to success. The ACT program is available **OFF-CAMPUS** at work sites and K-12 schools around the city. We bring the enrollment materials and required books to you.

- > Accelerated Courses
- > 2 Nights per week + 1 Saturday per month
- > Graduation in Just 2 Years
- > Successful Transfer to a University

You may select from two program options. Both options lead to an Associate Degree.

- > **The Business Transfer Option** is designed for certification of general education requirements and fulfills major requirements in business for transfer to CSU and UC campuses, as well as many other public and private colleges and universities.
- > **The General Studies Transfer Option** is designed to complete the general education requirements of the Intersegmental General Education Transfer Curriculum (IGETC) and the CSU Certified General Education Plan. When you complete this option, you will be eligible to transfer to most UC or CSU campuses, as well as most private and public colleges and universities.

To find a location near you or to bring ACT to your workplace or local community center, contact:
Dr. Eastcott, Dean (323) 953-4000 ext. 2058

Fast Track Transfer Program

Fast Track offers students a path to university transfer in just 2 years. Most classes require attendance only **1 week day & Saturdays**. 12-units can be completed each semester.

ITV - The Weekend College

ITV/The Weekend College classes allow students to complete general education classes in a focused eight-week format. Classes are taught on Saturdays or Sundays. Instruction is combined with award-winning video lessons available on cable television, in broadband, in DVD, and in the College Learning Resource Center. Each class also has an online component creating a positive, engaging learning environment.
