 **LACC**
SUCCEED

LACC

has helped students transfer to competitive universities as juniors, enter high-paying careers and advance on the job since 1929.

The classroom experience at LACC is more intimate than large universities where you can get lost in the crowd. Small class sizes allow for more student/teacher interaction. And, our faculty are interested in your success. They are experienced teaching professionals, many of whom started at community colleges before graduating from prestigious universities including UCLA, Berkeley, Stanford, USC, Otis Art Institute, Julliard, Claremont, Cornell, Howard, and Yale.

AT LACC, YOU PICK YOUR PROGRAM & PACE:

1. ADVANCED PROGRAMS

LACC's Honors Transfer Program is a concentrated set of classes allowing participants to advance to 4-year colleges as juniors and receive priority admissions consideration to major universities including UCLA. Other programs of interest include LACC's nationally recognized Math and Debate teams.

2. TRADITIONAL CAREER & TRANSFER PROGRAMS

Complete the first half of your BA degree or prepare for a high-paying career in as little as two years. Even part-time students can complete transfer and career programs by attending Summer and Winter sessions in addition to Fall and Spring. For students who want to move at a slower pace, there are many part-time options.

3. GETTING UP TO SPEED

For students who struggled in high school, LACC has basic skills classes, tutoring and other support programs to ready you for college level courses.

IN ADDITION TO AN OUTSTANDING EDUCATION, LACC STUDENTS ENJOY FUN AND ENRICHING ACTIVITIES INCLUDING:

- Cultural, social and academic clubs and student government
- Performance opportunities in dance, music and theatre
- Exhibition opportunities in art, photography and film
- Sports—women's and men's competitive and just-for-fun, plus access to a fully-equipped fitness center

www.lacitycollege.edu | 855 N. Vermont. Los Angeles CA. 90029 | 1(888) 930 - LACC

WHERE WE ARE

Between Melrose and Santa Monica Blvd in east Hollywood, minutes from Hollywood entertainment, Universal Studios City Walk and Downtown by car or MTA/Metro. 855 N. Vermont Ave. Los Angeles, CA 90029.

ADMISSIONS

You must be 18 years of age or older with an interest in advancing

OR, a high school graduate

OR, a student under 18 and not a high school graduate under special programs

You do not have to be a California resident or US Citizen to apply.

TUITION & FEES

Because LACC is a public college, we can keep tuition low and quality high.

CA Resident Tuition \$20/unit

Non-Resident Tuition \$159/unit

International Students \$189/unit

ASO Fee \$7; Student Representation Fee \$1; Health Fee \$11

- Over 75% of LACC students qualify for fee waivers that's \$0 tuition!
- Scholarships, Federal & State Grants and Low Interest Loans Available.
- Contact Financial Aid for more information and assistance.

DIVERSITY

LACC is uniquely located at the intersection of multiple ethnic and cultural communities providing students with a rich learning environment. Our campus is one of the most diverse in the country with all ethnic groups significantly represented and a balanced number of traditional-age and older students.

ABOUT HOUSING

Like most California community colleges, LACC does not offer campus housing. However, we are surrounded by apartment buildings and rooms for rent.

Over 90% of students recently surveyed said reputation for good teaching was important in selecting LACC

ALUMNI

Our alumni are notable educators; civic leaders and politicians; business leaders; Oscar, Emmy and Grammy winners; medical and technology professionals; and front-line staffers.

WINNERS—ACADEMIC & ATHLETIC

Our math and debate teams are nationally recognized and our basketball program has been rated one of the best in the country. Works by our Cinema students are frequently featured in prominent film festivals and 100% of our Radiologic Technician graduating classes consistently pass the professional exam.

Need help selecting a major?
career? the right classes?

LACC'S counselors and career center can help you find the direction that is right for you and plan your academic path.

Most universities and majors require you to complete a set of “general education” classes or “GEs.” At LACC, you can complete your GEs at a tremendous savings and at a pace appropriate for you. Students interested in focused or accelerated programs can sign-up for the Honors Program or Fast Track Transfer.

Students who want to design their own program can work with a counselor, and/or the school catalog and class schedule to select an academic plan that works for them. EOP&S is also available to assist low income and non-traditional students through priority registration, counseling, workshops, feild-trips and more.

HONORS PROGRAM

(323) 953-4000 EXT. 2338 - CC 186 Students who complete the LACC Honors Program receive benefits when they transfer to participating fouryear colleges and universities. Benefits include priority admission, scholarships, guaranteed housing, and admission into honors programs. While at LACC, the students may benefit from library privileges, campus visits, and cultural events. Current participating schools are UCLA, UCI, UCR, UCSC, CSU Fullerton and Long Beach, SDSU, Occidental, Chapman, La Sierra, Pacific, Pitzer, Pomona, and Whitman.

FAST TRACK TRANSFER

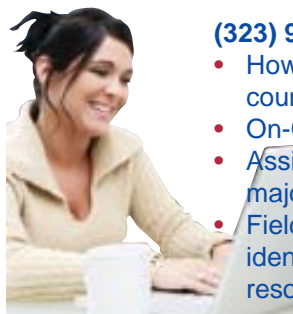

(323) 953-4000 ext. 2062 - AD 208B Accelerated Program for Transfer (APFT) is a part-time, accelerated program designed to meet the needs of working adults. APFT students attend classes in the evening one night per week, and approximately every other Saturday. The program takes 2.5 years or less. Study options include Business and Teachers Preparation programs.

UNIVERSITY TRANSFER CENTER

(323) 953-4000 ext. 2215 - AD 109

- How to transfer workshops and individual counseling
- On-Campus Transfer Fairs
- Assistance with selecting a university, a major, completing
- Field Trips to Universities applications and identifying financial and student support resource

TRAIN

For thousands of dollars less than you'd pay at private career colleges, you can receive outstanding training for high paying careers in health care, technology, entertainment, child development, law enforcement, business, graphics and more. Several of our programs have been recognized for outstanding curriculum design. The LACC Dental Technology program is one of only two accredited public programs in Southern California. Child Development now offers students the opportunity to complete their AA and part of their BA program all at LACC. The last year is completed at CSULA. The Theater and Cinema program have remarkable track records of getting students to work in the entertainment industry. Photography and art/graphics are taught by professionals with years of real-world professional experience. Many continue to work and exhibit in the private sector. And, 100% of the Radiologic Technology graduating classes consistently pass their professional exams.

CERTIFICATE & DEGREE PROGRAMS

Most LACC certificate and degree programs can be completed in 2 years or less for full-time students. Certificate programs may be completed in as few as 6 months to a year (see list to the right).

CAREER GUIDANCE

The LACC Career Center regularly sponsors Career Fairs to connect you with employers. The Center can also help you

- Select a career path
- Prepare a resume
- Learn how to interview
- And so much more

“I would definitely recommend LACC for anyone wanting to learn computer science and electronics. I learned everything I know in the field at the college.” —26-year old Billy Hernandez. He founded a successful computer, web development and graphics company—Computacion Para Ti—with a large Spanish-speaking clientel. Three of his five employees are fellow LACC alumni.

LEADERSHIP The Associated Student Organization (ASO) and the clubs under its umbrella offer the opportunity to be active and take leadership roles on campus.

FINANCIAL AID Fee waivers, grants, scholarships and low interest loans are available to US residents to assist with tuition, books and living expenses. Students of any age, full or part-time, dependent or independent may be eligible.

LOW-INCOME STUDENTS EOP&S, TRIO, CalWORKs and Workforce offer services including priority registration, counseling, financial aid, skills/information workshops, special courses, and cultural activities/field trips for students pursuing university transfer or career training goals.

STUDENTS WITH CHILDREN The Campus Child Development Center offers a preschool program for children age 3 to 5. There is also an evening program for children age 5 to 10. Low income single parents may be eligible for special academic and financial support including meals and gas subsidies through CARE.

HEALTH SERVICES All enrolled students are eligible for basic primary and non-emergency care and referrals through the LACC Health Center. Services include family planning, emotional counseling, and select laboratory tests and immunizations.

GENERAL ACADEMIC COUNSELING & STUDENTS WITH SPECIAL NEEDS Experienced LACC counselors can help you figure out where you want to go and plan the academic path to get you there. Our Office of Special Services provides similar services for students with physical or learning disabilities as well as arranging for special accommodations in and out of the classroom.
