

Fall 2008

The LACC Assessment Team invites you to attend one of our workshops on TRANSLATING YOUR SLO RUBRIC TO AN eLumen ASSESSMENT RUBRIC

On one of the following dates:

DATE	TIME	PRESENTER
Wed, 9/24	3-5 PM	Patty Schmolze
Mon, 9/29	1-3 PM	Daryl Kinney
Thur, 10/16	3:30-5:30 PM	Patty Schmolze Carlos Guerrero
Mon, 10/20	3:30-5:30 PM	Carlos Guerrero
Fri, 10/24	10 AM-12 PM	Patty Schmolze
Tue, 10/28	1-3 PM	Daryl Kinney
Mon, 11/3	3:30-5:30 PM	Carlos Guerrero

All workshops will be held in the TLC (now housed in the former MLK Library).

During this workshop you will take the basic rubric from the SLO Matrix in a course outline of your choice and develop it into an expanded rubric you can use in eLumen. This fully developed rubric will be distributed to students and used as you complete the assessment of the SLO in your class..

To register for one of the above workshops, contact Daryl Kinney at extension 2069 or send an email to kinneyd@lacitycollege.edu.

All workshops are held in the computer lab in the Teaching-Learning Center (TLC), FH 106.

Identifying SLOs provides an overview of SLOs in general, the difference between outcomes and objectives, and resources you can find to help you develop SLOs for your own courses. Participants in this workshop should have a course outline with them to develop the SLO for that course. Half of the allocated workshop time will be spent working on your own SLO for a course you are developing or updating.

Assessing SLOs provides information on developing rubrics and other ways of assessing SLOs that have been identified through the curricular process. Participants in this workshop should have the SLO matrix page from an already approved SLO. Half of the allocated workshop time will be spent developing/expanding/refining a rubric to assess the identified SLO.

Working with Rubrics provides an overview of the benefits of using rubrics in all kinds of situations where evaluations are necessary. Most of the time is spent developing rubrics for a variety of situations.
