Presented by:

Dr. Christine Lee Gengaro

Department of Music

Every culture around the world has music. Everyone has a favorite kind of music. But how much do you really know about the history of music?

This Brown Bag Lunch will provide an overview of music history from the Middle Ages to the Present, using masterpieces from every significant time period to illustrate musical styles and traditions.

We will hear excerpts from Mozart and Beethoven, but also Gershwin and Miles Davis! Learn how to be an active listener and how to enhance your experience of music from now on!
