

TEACHING²

TRY TEACHING SQUARES!

HOW IT WORKS:

1. Sign up by 3rd Tuesday after instruction begins in Fall or Spring.
E-mail Mickey Hong: hongmj@lacitycollege.edu or
Pamela Atkinson: atkinsps@lacitycollege.edu
Subject heading: "Teaching Squares"
Tell us your name, phone extension, department, class schedule, and the subject you teach.
2. We'll match you up with three other professors from different disciplines who are hip just like you.
3. The four of you arrange to visit each other's classes.
4. You meet all together again to discuss what you learned about YOUR OWN teaching through the observations.

CONNECT, OBSERVE, & DISCOVER!

Flex credit available to participants!

4th Tuesday

You will receive by e-mail your 3 partners' names and contact information. It would be best to e-mail and have EVERYONE agree to a time and place.

E-mail us when you have decided to meet.

6th Tuesday

First meeting to decide when to visit each other's classes. Each person makes 3 classroom visits--not everyone has to be there at once (each class observation must not exceed 1 hour).

E-mail us the agreed classroom visit schedule

10th Tuesday

Complete all classroom observations.

12th Tuesday

Final meeting to share what everyone learned about one's own teaching. Each of you will need to fill out a 1-page evaluation form.

E-Mail us when you had your final meeting.

THAT'S IT!!!

Both Mickey Hong and Pamela Atkinson will be sending you reminders so you can keep track of your teaching square's progress. We'll e-mail you the form in December. Each member of the square will receive 18 hours of flex credit upon successful completion of the program.
