

ATTENTION STUDENTS**

Want to review before the math assessment test?

Want to increase your math placement 1-2 levels?

Need to take Math?

Attend a boot camp offered by the Math department. This boot camp will be a 4 week 20 hours program (2.5 hours on Fridays and Saturdays from 10 am to 12:30 pm in Franklin Hall 302) starting Friday, January 13th, 2017 through Saturday February 4th. This boot camp will enhance your chances of being placed 1-2 levels higher math course above your present level if you are currently pre-math 125 level.

If you have questions regarding the program, please email Professor Kian Kaviani at kaviank@lacitycollege.edu or 323-953-4000 ext. 2811 or Professor Phuong Duong at duongph@lacitycollege.edu

Questions?

** Eligibility to participate in the workshop and taking the test is based on the student being eligible under the current retest policy.

$$3^2 + 3^2 =$$
