Counselor's Corner

Quotes of the Month

Dear TRIO/SSS Students

Congratulations to the 26 students who will be graduating and/or transferring after this summer. Your discipline and determination have enabled you to move one step closer to your educational endeavors and now you will embark on a new chapter of your academic life.

We will be having a new student orientation in the month of August. If you are graduating and/or transferring and would like to participate in our student panel please let me know. The student panel consists of graduates/transfer alumni who share their experience in the TRIO/SSS program with prospective students.

Good luck to all who will be taking courses in the summer. If you haven't enrolled for the summer session I would highly recommend that you take at least one class. This will help you get to your goal of transferring much quicker. Those of you taking a break this summer enjoy your vacation so that you are ready to start fresh in September. If you haven't already registered for fall classes please do so immediately, classes fill up quickly.

Please be aware that summer office hours may vary.

Best Wishes,

Marilyn Frontanez-Loza  
Counselor/Director
