ASSESSMENT OF STUDENT LEARNING OUTCOMES

A student learning outcome (SLO) is a statement that describes specifically what students should be able to do after completing any set of college experiences, a course, an instructional program, or an interaction with a student support service. Students are advised to become familiar with the learning outcomes for each of their courses, their chosen program of study, and for the student services they utilize. Course SLOs can be found on the course syllabus that students receive in each class section. Program SLOs are listed in this catalog.

Students participate in outcomes assessments by completing assignments, portfolios, projects, and exams that are already part of the course requirements. LACC then engages in a systematic assessment process to evaluate how well students are achieving our defined outcomes. Results are used to modify programs and courses to improve student learning. Learn more about outcomes assessment at the SLO Guide for Students website, http://tinyurl.com/laccloforstudents

GENERAL INFORMATION

About LACC
Set on an attractive 49 acres, Los Angeles City College was the original location for UCLA before it moved to Westwood, CA. The college facilities include more than a dozen multistory classroom buildings including a library, computer labs, fitness centers, theater, and TV/film studios.

Through a $147 million bond award, the college is further enhancing itself with a new and advanced technology/learning facility, increased parking, and expanded athletic/fitness and child development centers. (Note: LACC does not provide campus housing. However, inexpensive rentals are available in the surrounding community.)

Our student body is one of the most diverse in the country. Students range in age from late teens to seniors and come from every ethnic group, culture and country in the world. We are proud to have ranked 35th among all community colleges across the country in awarding 2-year certificates to students; 33rd in awarding Associate Degrees to minority students; and 23rd in awarding Associate Degrees to Hispanic students. (Community College Week, June 24, 2002, Online Edition.)

History
Los Angeles Junior College was established on September 9, 1929, by the Los Angeles Board of Education. Dr. William H. Snyder served as the institution’s first director. During its first year, we offered only first-semester courses. The “semi-professional courses” were for students who wanted to limit their college education to two years, and the “certificate courses” were for those looking to continue toward university work. There were more than 1,300 students taught by some 54 faculty. The first Associate in Arts degrees were conferred June 19, 1931.

Governance of LACC has changed through the years. Until 1931, it was a division of the Los Angeles Secondary School District. In 1931, the electorate voted to establish a separate Los Angeles Junior College District. In 1938, the Board of Education changed the name to Los Angeles City College. In July 1969, the California State Legislature enacted legislation allowing the separation of the nine-campus Los Angeles Community College District from the Los Angeles Unified School District. A seven member Board of Trustees was elected and formally assumed governance. (The other eight colleges in the LACCD are: East Los Angeles College; Los Angeles Harbor College; Los Angeles Mission College; Pierce College; Los Angeles Trade-Technical College; Los Angeles Valley College; Los Angeles Southwest College; and West Los Angeles College.)

The chief executive officers of Los Angeles City College since its founding have been:

- Dr. William H. Snyder, Director 1929-1934
- Dr. Rosco C. Ingalls, Director 1934-1945
- Dr. Einar W. Jacobsen, President 1946-1948

District Philosophy
The Los Angeles Community College District (LACCD) affirms the principle that individuals should have opportunities to develop to their full potential. To that end, our main responsibility is to students and to providing an education that benefits students and enables them to contribute to society. The LACCD colleges, therefore, should be accessible to all individuals who have the capacity and motivation to profit from higher education. Curricula and services of our colleges should provide means for fulfilling the promise of open access.

We recognize the necessity to adapt to the changing educational needs of the LACCD communities and to the growing diversity among students. The quality of the educational experience is judged by its value to students and communities, not merely by quantitative appeal. We further recognize that academic freedom is essential to excellence in education. Los Angeles City College empowers students from the diverse communities it serves to achieve their educational and career goals by providing learner-centered pathways to success through transfer, career and technical education, and foundational skills programs.

More information about Student Right-To-Know rates and how they should be interpreted can be found at the California Community Colleges “Student Right-To-Know Information Clearinghouse Website” at http://srtk.cccco.edu. Student Right To Know: Campus Security.

Student Responsibilities To Be Informed
It is the student’s responsibility to be familiar with the information presented in this catalog and to abide by all policies and procedures related to the programs and activities he or she is pursuing.

While LACC academic counselors are available to assist you in planning your schedule, and instructors and staff are available to help you with your studies, it remains the responsibility of the student to follow all the requirements and deadlines related to their program of study. student records. A student who intends to transfer to another college or university should consult the catalog of that institution. The Transfer Requirements section of this catalog gives general education requirements for the California State University, and breadth requirements for the University of California, as accurately as could be determined at the time of publication of this catalog.

Residency Classification
The residency classification determines the amount of enrollment or tuition fee that a student will be required to pay to enroll in classes. In addition, the residency status is used to determine student eligibility for the California Board of Governor’s Fee Waiver.

California Residency
To be classified as a California resident, a prospective student must have resided in California for at least one year and one day preceding the student’s Residence Determination Date. The Residence Determination Date is the day before the opening day of instruction of any given semester.

Non-Resident
A student who does not meet the California residency status requirement is classified as a non-resident. Students with non-resident classification must pay an additional non-resident fee established by the LACCD Board of Trustees.

International students with F1 or M1 Visa status are classified as non-resident and subject to the required non-resident fees.

Appeal of Residency Status
Except for International students, students with an initial determination of non-resident status have the right to appeal their residency status. To do so, the non-resident student must complete and submit a Residency Questionnaire form to Admissions and Records. The Residency Questionnaire Form is available online in the Admissions and Records webpage. The form must be submitted within 30 calendar days of non-resident notification and before the start of the semester in which the student is requesting a reclassification.

Admissions Requirements for Veterans

2. Complete and submit Veterans enrollment forms for school records declaring major, transfer school, and schools previously attended.
   The appropriate form for over 60 units must be filed.

All educational benefits must be used within 10 years from the date of separation: 1/2 month reduction for each month at the 1/2-time rate, 3/4 month reduction for each month at the 3/4-time rate, and one-month reduction for each month at the full-time rate.

Program Planning For Veterans

The counseling department will advise you in preparing your Student Educational Plan (known as the SEP). This plan basically consists of the educational goal and major which you intend to pursue, the classes you expect to take in order to achieve your goal and major, and the student services you expect to use in order to help you complete your college program.

The Veterans Administration will not pay for courses that do not fit in a veteran's selected major.

1. 70 Unit Rule - Once a veteran has received an Associate Degree in any major, he/she is eligible for further training at the college only if he/she takes courses required for upper division status at his/her transfer institution, or if he/she changes his/her objective. These courses must be approved by the Veterans Administration.

2. If a veteran desires units beyond the Associate Degree (60-69 units), approval is needed from a four-year college, and/or the college counseling department.

5. Transcript Annotation Military credit will be posted on student transcripts in keeping with the provisions of Administrative Regulation E-118.

Adds and Drops for Veterans must be reported to the Veterans Clerk in the Admissions Office as soon as possible. To fail to do so may result in an overpayment or underpayment. The Veterans Administration holds the veteran responsible for reimbursement of overpayments.

Attendance Verification: Veterans must sign in with the Veterans Clerk from the 20th to 28th of each month or they will be discontinued from receiving benefits.

Academic Probation

In accordance with Title 38, Code of Federal Regulations, Part 21, 5253 (d) (4), “The school enforces a policy relative to standards of conduct and progress required of the student.” This means that for veterans and/or eligible dependents, if such a student fails to obtain a cumulative grade point average of 2.0 or better after three (3) consecutive semesters, his/her VA educational benefits will be discontinued.

In accordance with Administrative Regulation E-118, using the general petition process, the college will maintain a written record of previous education and training of the veteran or eligible person which clearly indicates that the student has
received appropriate credit for previous education and training, with the training period shortened proportionally. The student and the VA will also be notified of this process. Students must include a copy of their DD214, school transcripts, and/or course documentation with their petitions, and submit them to the Office of Admissions and Records.

Upon verification of completion of a Basic Training course in any of the armed services, the physical education graduation requirement will be waived. Waiver of the health education graduation requirement is not automatic; petitions will be evaluated on a case-by-case basis.

A veteran may also receive 6 units of elective credit for 181 days or more of active-duty service; such petitions will also be evaluated on a case-by-case basis. See Academic Policies, Credit for Military Service and Elective Credit for Military Training.

Student Records and Directory Information and Family Education Right and Privacy Act (FERPA)

The Los Angeles Community College District, in compliance with Federal and State law, has established policies and procedures governing student records and the control of personally identifiable information. The Los Angeles Community College District recognizes that student records are a confidential matter between the individual student and the college.

At the same time, the District has a responsibility to fulfill public information needs (e.g., information about students participating in athletics, announcement of scholarships and awards). To meet this responsibility, the District may release directory information unless the student states in writing that he or she does not want it released. The responsibility for carrying out these provisions is charged to the college records officer, designated by the chief administrative officer on each campus. The records officer may be contacted via the Office of Admissions. Copies of Federal and State laws and District policies and procedures are maintained by the records officer and are available for inspection and inquiry.

All student records maintained by the various offices and departments of the college, other than those specifically exempt by law, are open to inspection by the student concerned. The accuracy and appropriateness of the records may be challenged in writing to the records officer. A student has the right to receive a copy of his or her record, at a cost not to exceed the cost of reproduction. (Requests for transcripts should be made at www.lacitycollege.edu.)
No student records, other than directory information, will be released without the written consent of the student concerned except as authorized by law. A log of persons and organizations requesting or receiving student record information is maintained by the records officer. The log is open to inspection only to the student and the community college official or his or her designee responsible for the maintenance of student records.

Directory information includes the student's name, city of residence, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most recent previous educational agency or institution attended by the student. Directory Information about any student currently attending the college may be released or withheld at the discretion of the records officer.

No directory information will be released regarding any student who has notified the records officer in writing that such information shall not be released. All inquiries regarding student records, directory information, and policies for records access, release, and challenge should be directed to the records officer via the Office of Admissions. Students have the right to file a complaint with the United States Department of Education concerning alleged violations of Federal and State laws governing student records.

Students continuing from the prior semester will automatically receive registration notification through the district email. New and returning students are issued a Registration Appointment Card when the application for admission is approved.

Dropping Classes and Withdrawing From College

The student is asked to consult with a counselor when considering withdrawing from the College. Clearance of the record in courses where equipment has been issued is required when the student separates from such classes. Individual classes may be dropped by presenting a drop card at the Admissions Office information window. Students who cease attending class or classes officially or unofficially are Subject to the following regulations:

1. Dropping officially from a class or withdrawing from the College by the end of 20% of the term will prevent classes from appearing on the student’s permanent record.

2. Dropping a class after 20% of the term is completed will result in a “W” being recorded by the Admissions Office. IT IS THE STUDENT’S RESPONSIBILITY TO DROP BEFORE THE DEADLINE DATES. Excessive “W” grades may lead to progress dismissal.

3. Students are not permitted to drop a class or withdraw from the College after 75% of the term. Grades shall be recorded by the instructor based on the grade-point average of the student during the period of attendance. Students may receive a failing grade in any course when they stop attending class and do not officially drop the class.

4. Students seeking withdrawal from a class after the “W” deadline for extenuating circumstances must submit a petition to Admissions clearly stating the circumstances and providing documentation of such circumstances. Petitions are to be available in the Admissions Office after the “W” deadline. Petitions will not be accepted without documentation.

The Dean of Admissions will review petitions. The following criteria will be applied:

Verified cases of accidents, illness, or other circumstances beyond the control of the student, such as death of an immediate family member, natural disaster, and/or other reasonable obstacles that prevented a student from complying with college procedures for dropping a class.

Students wishing to appeal the final decision should be referred to the Student Grievance Procedures, Administrative Regulation E-55.

IT IS THE STUDENTS RESPONSIBILITY TO DROP CLASSES HE/SHE NO LONGER WISHES TO ATTEND. FAILURE TO DROP A CLASS, MAY RESULT IN FEE CHARGES, AND/OR HAVING GRADES OF “W” OR “F” LISTED ON OFFICIAL TRANSCRIPTS.

“W” records count as attempted enrollment. Students are currently limited to three attempt in the same course.
STUDENT SUCCESS AND SUPPORT PROGRAM

Senate Bill 1456 revised and renamed the Matriculation Act of 1986 as the Seymour-Campbell Student Success Act of 2012. Signed by Governor Brown on September 27, 2012, the program began on January 1, 2013 and will be implemented through stages over a five year period.

The Student Success and Support Program (formerly Matriculation) supports the transition of new students into the college by providing services that promote academic achievement and successful completion of degrees, transfer preparation, career technical education certificates, or career advancement.

Effective Fall 2014, based on student responses to the Los Angeles City College application for admission, students will be identified as matriculating or non-matriculating. Students identified as matriculating are referred to core matriculation services: assessment placement, orientation, and counseling. Students must complete the assessment placement, orientation, and counseling (abbreviated student educational plan) prior to their priority registration date and time. The abbreviated student educational plan is provided during the in-person orientations. After registration and sometime during the semester, a comprehensive student educational plan must be completed within a reasonable time period by making an appointment to meet with a counselor. Non-matriculating students are exempt from participating in the core matriculation services, but are advised to access these services if they plan to pursue a degree or certificate. All new non-exempt students are required to complete the Student Success and Support Program mandated core services:

Admissions
Students can complete an admissions application online at www.lacitycollege.edu. Students can also speak to a staff member at the Welcome Center (located on the 1st floor of the Student Services building) for assistance in completing the admissions application and to receive general campus information.

Assessment
The Assessment Center provides English, English as a Second Language (ESL) and mathematics assessments for placement in an appropriate courses based on the students’ skill levels. Assessment is required for all new non-exempt students who have not received a waiver. Assessment is also available for continuing students who are eligible to re-assess and returning students who need to retake the placement test. Students can “drop in” and take the assessment test the same day or make an appointment to take the test when they feel they are prepared to do their best.

Orientation
All new, non-exempt students should complete the LACC college orientation prior to taking the assessment test. Students can complete the orientation online or schedule an appointment to do the orientation in person with a counselor. The Online Orientation is available via the LACC webpage. The Online Orientation introduces students to the campus policies, procedures, resources, support services and college programs which are available to help you make better, more informed educational and career choices. Failure to complete orientation will impact your priority enrollment.

Counseling/Student Educational Planning
Provides academic advisement and assistance in course selection, development of a Student Educational Plan, career planning, referral to appropriate student services, and Counseling Classes which are taught by counseling faculty.

First Semester Student Educational Planning (SEP)
Once students have completed the online orientation and have assessment results, they are required to make a Counseling appointment for an abbreviated student educational plan (SEP). In-person orientations are counselor-led advisement sessions where students review: Assessment results, educational goals, the registration process, important dates and deadlines and develop an abbreviated student educational plan (SEP).

Comprehensive Student Educational Plan (SEP)
Before completing 15 units, or their third semester, students must declare a course of study and complete a Comprehensive Student Educational Plan (SEP). Students must meet with an academic counselor to develop a Comprehensive SEP. Counselors are also available by appointment for: academic counseling, career assessment and exploration and transfer information. Counselors are also available for Online Chat and Online Advising.

Failure to complete the Abbreviated or Comprehensive Student Educational Plan will impact your priority enrollment.

* EXEMPTION CRITERIA - Students may be exempt from SSSP core services if they:
1. Have earned an Associate Degree or higher
2. Enrolled at the college for a reason other than career development, advancement, transfer, attainment of degree or certificate of achievement, completion of basic skills English or English as a Second Language course sequences
3. Are taking classes to maintain a license.
4. Are concurrently enrolled K-12 students.
5. Students who completed assessment or taken English and math classes at another California community college in the past two years may submit an Assessment Exemption Request available in the Admissions & Records Office or see an academic counselor for pre-requisite clearance.

Appeal
SSSP is a campus-wide effort of faculty, administrators, staff and students. However, if for any reason, you feel that matriculation interferes with your rights as a student, forms for appeal are available in the Admission Office (located on the 1st floor of the Student Services building).

Follow-Up
Provides regular evaluation of student’s progress through the Early Alert program. Will monitoring probation students (year-round) and provide services including group counseling sessions, group workshops and one-on-one counseling.

1. Express at least a broad educational intent upon admission.

FINANCIAL AID

Financial Aid Office
Student Services Building
(323) 953-4000 ext. 2010
http://www.lacitycollege.edu/stusvcs/finaid/

For more information, see the Financial Aid section at the beginning of this catalog.

What is Financial Aid?
Financial Aid is monies made available by federal and state governments and by private sources in the form of grants, scholarships, loans, and employment. This assistance makes it possible for students to continue their education beyond high school, even if they and/or their family cannot meet the full cost of the postsecondary school they choose to attend.

Eligibility for Financial Aid
To be considered for financial aid, students must generally meet the following minimum requirements:

- Be a U.S. citizen or an eligible non-citizen. An eligible non-citizen is a U.S. permanent resident who has documentation from the Department of Homeland Security verifying that his/her stay in the U.S. is for other than a temporary purpose.
- Show financial need.
- Be making satisfactory academic progress in a course of study leading to an AA or AS degree, certificate, or transfer to a baccalaureate degree program.
- Not be in default on any loans such as Federal Perkins Loans, Federal Stafford Loans (subsidized and unsubsidized), Federal Direct Loans (subsidized and unsubsidized, or FPLUS Loans (Parental Loans for Undergraduate Students) at any school attended.
- Not owe a refund on a Federal Pell Grant, Federal Supplemental Educational Grant (FSEOG), or Cal Grant programs.
- Be registered with the Selective Service, if male between the ages of 18 and 26 years old.
- Be enrolled as a regular student in an eligible program.
- Have a valid social security number.
- Demonstrate an Ability to Benefit (as defined in this section)

Ability to Benefit (ATB):
Students who meet one of the qualifications listed below have demonstrated the ability to benefit from a college education in accordance with applicable federal regulations.

- Received a high school diploma; or Passed a high school proficiency examination; OR
- Successfully completed a two-year program (minimum 48 credit hours towards a bachelor’s degree)

Education Status
Students requesting a change in education status must submit a general petition with explanation. This is consistent with our office policy that, like residency changes, the burden of proof lies with the student.

The general petition may be evaluated for change by the Dean, registrar, and supervisor. Changes can only be made if the petition supports the claim that the student did not earn the equivalent of an Associate degree or higher in the United States. Acceptable forms of documentation include but are not limited to a college transcript from the institution in question or a student record evaluation from a credential agency. Since the Department of Education and the Financial Aid Office use the information collected on the admissions application to determine a student's financial aid eligibility, it is important that any changes made must be supported with documentation.

Admissions and Records assistants who process paper applications are responsible for reviewing the application for consistency of information before entering the application into the Student Information System. If the change is being made at the time of application, the student must date and initial to indicate they are making a change to verify they have not completed a college or university degree.

Apply for Financial Aid
US Citizens, and aliens that hold eligible immigration documents apply for all federal and state financial aid programs by completing a Free Application for Federal Student Aid (FAFSA). The application is available online at www.fafsa.gov. Students that are classified AB540 by the college’s Admissions Department may apply for state of California financial aid programs by completing a CA Dream Act Application. It is available online at https://dream.csac.ca.gov. The process is free.

Never pay for federal or state financial aid. You'll need an FSA User ID and password to “sign” your application, make corrections to the application, and more. If you are a dependent student, your parent will also need an FSA User ID and password. The option to create your FSA User ID and password will be presented to you when you first begin your FAFSA. If you choose not to create your FSA User ID and password at the beginning of the application the option will be presented to you again when you get ready to submit it.

Students applying for Federal Direct Loans, Emergency Loans, or scholarships must complete additional applications and/or forms that may be requested from the Financial Aid Office.

Note: Financial Aid applicants must use their own social security number on all college records.
**Priority Dates & Deadlines**

In general, the institution must have on file a valid Institutional Student Information Record (ISIR) by the last day of enrollment for a term.

To receive a Pell Grant, financial aid applications and all required documents must be submitted to the Financial Aid Office prior to the end of the enrollment period.

To receive a Cal Grant, the FAFSA must be submitted no later than March 2, 2018 for the 2018-2019 award year. Students planning to attend a community college have a secondary deadline of September 2, 2018 to apply for Cal Grant.

The priority processing date May 1, 2018 for the 2018-2019 academic year. Students who have missed the priority processing date are encouraged to apply as Pell Grant funds may be available.

Consult the LACC Financial Aid Office for more information regarding priority and deadline dates.

**Verification**

For students selected for verification by the Department of Education, the Financial Aid Office will request additional documents, such as Federal Tax Transcripts, to process the application.

**Federal Refund Requirements**

Students who receive federal financial aid and withdraw from ALL classes at the institution in the first 60% of the term may have to repay the “unearned” federal funds received prior to withdrawal. The Financial Aid Office will calculate the amount of federal funds earned up to the point of withdrawal and students will be billed and must repay any federal grant funds received but not earned. Failure to repay these funds will result in the denial of future federal financial aid.

**Post-Withdrawal Disbursements**

Students who have completed their financial aid files but withdrew from all of their courses before receiving any disbursements form federal aid may be eligible for a post-withdrawal disbursements. Students that are eligible for such a disbursement will be notified by email.

Students are advised to contact the Financial Aid Office before withdrawing from all of their classes.

**Federal Recalculation Requirements**

Federal Pell Grant and Federal Supplemental Educational Opportunity Grant (FSEOG) awards must be recalculated if the student's information changes after the initial calculation or disbursement. The three factors that are most likely to change are enrollment status, expected family contribution (EFC), and cost of attendance.

Awards will be calculated during each term, based on the student's enrollment status for that term. If the student's enrollment status changes up to the date of the second disbursement run date, the Financial Aid Office will recalculate the student’s federal financial aid grants. A recalculation may result in a decreased or increased award.

**Federal Financial Aid**

**Federal Pell Grants**

Students may be eligible to borrow up to $3,500 for first year students and $4,500 for second year students per academic year from the Direct Loan Program. The student’s annual borrowing limit may also vary based upon the following:

- The amount of unmet need after other federal assistance is considered; and
- The applicant’s aggregate student loan debt; and
- The applicant’s previous delinquent or defaulted loan history.

**Federal Direct Subsidized Loan**

A low interest loans for students that demonstrate financial need. Students are not charged interest as long as they are enrolled at least half-time. The amount that a student may borrow is based upon unmet need and the student’s progress in an academic program. Also, loan amounts are constrained by federally mandated annual and aggregate limits.
In general, a student’s eligibility for subsidized loans is limited to 150% of student’s published program length.

**Federal Direct Unsubsidized Loan**

**Cal Grant Programs**

**Cal Grant A**
Although Cal Grant A is only for use at a four-year college, students should apply while attending Los Angeles City College. Effective July 1, 2011, Los Angeles Community College District has adopted a new Satisfactory Academic Progress (SAP). In accordance with the Higher Education Act of 1965, as amended, the Los Angeles Community College District (hereinafter referred to as LACCD) established the following Standards of Academic Progress. These Standards apply to all students who apply for and receive financial aid from the programs listed below.

FEDERAL PELL GRANT
Federal Supplemental Educational Opportunity Grant (FSEOG)
Federal Work Study (FWS)
Federal Perkins Loan
Federal Nursing Loan
Federal Parent Loan for Undergraduate Students (PLUS) Family Educational Loan (FFEL)
Federal Direct Student Loan (FDSL)
Cal Grant B and C Child Development Grant

Professional Judgment may be exercised in applying these standards in accordance with Section 479A of the Higher Education Act of 1965, as amended, through June 1994.

Satisfactory Academic Progress Standards are reasonable if they are the same as or stricter than the institution’s standards for a student enrolled in the same educational program who is not receiving assistance under Title IV Federal Financial Aid Programs.

Current and previous coursework earned at any college within the LACCD will be reviewed for compliance with the standards put forth in this policy.

CONSORTIUM CLASSES

All classes throughout the LACCD will be included when reviewing satisfactory academic progress.

For students aided under a consortium agreement with colleges outside the LACCD, consortium classes will be included during satisfactory academic progress review by the home school (the college that processes the student’s aid).

2. GENERAL REQUIREMENTS

Students receiving financial aid must be enrolled in an eligible program. An eligible program is defined as:

- An educational program that leads to an associate degree, or
- An educational program which is at least a two-year academic transfer program that is acceptable for full credit toward a bachelor’s degree, or
- An educational program which is at least a one-academic-year training program that leads to a certificate, degree, or other recognized educational credential and that prepares a student for gainful employment in a recognized occupation.

3. SATISFACTORY ACADEMIC PROGRESS STANDARDS

- Maintenance of a 2.0 cumulative GPA.
- Fewer than ninety (90) attempted units for students who indicated AA degree or Transfer as their educational goal.
- ESL and Basic Skills/Remedial classes are excluded from the ninety (90) unit limit when determining units attempted.
- Students who have already earned an Associate or higher degree outside of the LACCD will need to follow the appeal procedure.
- In Progress (IP) grades count as attempted units in the maximum time frame only. It does not affect cumulative grade point average in the qualitative measure nor is it included as completed units in the quantitative measure.
- Completion of 67% cumulative units attempted.
- Entries recorded in the students’ academic record as Incomplete (INC), No Credit (NCR), No Pass (NP), and/or Withdrawal (W) are considered non-grades and must be 33% or less than the cumulative units at-tempted.

APPLICATION OF STANDARDS

Satisfactory academic progress for financial aid students will be determined at the end of each payment period/semester.

Students who are disqualified from financial aid will be notified by mail and receive the procedure for appeal.

A student who has been disqualified at any college in the LACCD, is disqualified at all colleges within the LACCD.

A change of one (1) educational goal or major course of study will be permitted. Students are eligible to receive financial aid for one educational goal at the institution of attendance.

Disqualification - Students will be disqualified if they have one or more of the following academic deficiencies at the end of Spring semester:

- Total units attempted (excluding ESL and Basic Skill/Remedial classes) are equal to or greater than ninety (90) - Associate or higher degree has been earned.
- Cumulative GPA is less than 2.0;
- Cumulative Non-Grades are more than 33%;

- Cumulative GPA is less than 2.0; Cumulative non-grades are greater than 33%; Advisory Letter Number of units attempted reaches forty-five (45).

4. MAXIMUM TIME LENGTH

Students attending for the purpose of obtaining an Associate of Arts Degree (AA), an Associate of Science Degree (AS), or
completion of requirements for transfer to a four-year college, are allowed 90 attempted units in which to complete their objective. Exceptions will be made only when the requirements of a student’s objective cause the student to exceed the maximum time limit.

SHORT LENGTH CERTIFICATE PROGRAMS
Some certificate objectives at the Los Angeles Community Colleges may be completed in less time than that required for the Associate of Arts, Associate of Science and Transfer objectives. The following table shows the normal completion time and maximum time for certificate programs of varying length:

<table>
<thead>
<tr>
<th>REQUIRED CERTIFICATE UNITS</th>
<th>NORMAL LENGTH</th>
<th>MAXIMUM LENGTH</th>
</tr>
</thead>
<tbody>
<tr>
<td>10 to 24</td>

<td>25 to 36</td>
<td>3 semesters</td>
<td>5 semesters</td>
</tr>
<tr>
<td>37 to 48</td>
<td>4 semesters</td>
<td>6 semesters</td>
</tr>
</tbody>
</table>

To be eligible for financial aid, a program must be at least six (6) months in length with a minimum of sixteen (16) units. Students enrolled in a certificate program may continue to qualify for financial aid up to ninety (90) attempted units, six (6) full-time semesters, or the equivalent, if they are planning to obtain an A.A. or A.S degree or to transfer to a four-year school in addition to obtaining the certificate.

Policies: Academic

Attendance
The student is expected to attend every meeting of all classes for which he or she is registered. Attending a class without being registered is contrary to the Los Angeles Community College District rules and cannot be used as the basis for a petition to add a class.

Students who have enrolled for a class and who do not attend or who are late or absent from the first meeting of the class may be excluded by the instructor.

Student Responsibilities
Students will only be able to enroll in or attempt a course three times. Students who stay in a course past the “no penalty” withdrawal date and then drop it or are excluded, will receive a grade of “W” and have used one of their three attempts.

Any student who has three attempts at any given class, with any combination of W, D, or F grades, will not be able to register for the class again, and will need to take the class again at a college outside the Los Angeles Community College District.

Students may petition for one more attempt by citing “extenuating circumstances,” however, for the most part the only extenuating circumstances that are allowed are military deployment or natural disaster.

It is the responsibility of the student to notify the instructor of circumstances which will prevent attendance at any meeting of the class. Students may notify instructors by e-mail or by phone using the number listed on the course syllabus. If the number is not listed, use the number for the department chair listed in the class schedule and ask that the message be forwarded.

Whenever absences in hours exceed the number of hours the class meets per week, the student may be excluded from class by the instructor.

IT IS THE STUDENT’S RESPONSIBILITY TO DROP FROM A COURSE. Any drops or exclusions that occur between 20% and 75% of the term will result in a “W” on the student’s record, which will be included in the determination of progress probation. Drops are not permitted beyond 75% of the term. An evaluative grade (“A”, “B”, “C”, “D”, “F”, “P”, or “NP”) will be assigned to students who are enrolled past 75% of the term even if they stop attending class, except in cases of extenuating circumstances. After 75% of the time the class is scheduled, the student may petition to the Dean of Admissions to withdraw from class demonstrating extenuating circumstances.

For further details, refer to “W” section of “Grading Symbols and Definitions”.

Tardies
Three tardies will be considered the equivalent of one hour of absence. A tardy is defined as coming in to class after the class officially begins.

Final Examinations
Final examinations are given in all courses according to the schedule which is printed in the Schedule of Classes.

Grading Symbols and Definitions and Conditions For Use
Only the symbols in the grading scale given in this section shall be used to grade all courses.

Grades shall be averaged on the basis of the point equivalences to determine a student’s grade-point average, using the following evaluative symbols:

</tbody>
</table>

Note: P and NP grades may be given only in courses authorized by the District Pass/No-Pass Option and Credit by Examination Policies. The following non-evaluative symbols may be entered on a student’s record, but are not part of the GPA calculation.

INC Incomplete
Incomplete academic work for unforeseeable, emergency, and justifiable reasons at the end of the term may result in an “I” symbol being entered in the student’s record. The condition for removal of the “I” and the grade which is assigned in lieu of shall be stated by the instructor in an Incomplete Grade Record. This record shall be given to the student, with a copy on file in the college Admissions Office until the “I” is made up and a final grade assigned, or when on year has passed. The “I” symbol shall not be used in calculating units attempted nor for grade points. The “I” may be made up no
later than one year following the end of the term in which it was assigned. The student may petition for a time extension due to unusual circumstances.

**IP In Progress**

The “IP” (In Progress) symbol shall be used only in those courses which extend beyond the normal end of an academic term. It indicates that work is “in progress,” but that assignment of a grade must await the course completion. The “IP” symbol shall remain on the student’s permanent record in order to satisfy enrollment documentation. The appropriate evaluative grade and unit credit shall be assigned and appear on the student’s record for the term in which the required work of the course is completed. The “IP” shall not be used in calculating grade point averages.

**RD Report Delayed**

The “RD” symbol may be assigned when there is a delay in reporting the grade beyond the control of the student. The “RD” may be assigned by the Dean of Student Services only. It is a temporary notation to be replaced by a permanent symbol as soon as possible.

**W Withdrawal**

Withdrawal from a class or classes shall be authorized through the last day of the fourteenth week of instruction or 75% of the time the class is scheduled to meet whichever is less.

No notation (“W” or other) shall be made on the record of a student who withdraws before the census date of the course.

Withdrawal between the end of the fourth week (or 30% of the time the class is scheduled to meet, whichever is less) and the last day of the fourteenth week of instruction (or 75% of the time the class is scheduled to meet, whichever is less) shall be authorized after informing the appropriate faculty. A student who remains in class beyond the fourteenth week of 75% of the time the class is scheduled shall be given a grade other than a “W”, except in cases of extenuating circumstances.

After the last day of the fourteenth week (or 75% of the time the class is scheduled, whichever is less) the student may withdraw from class upon petition demonstrating extenuating circumstances and after consultation with the appropriate faculty.

Extenuating circumstances are verified cases of accidents, illness, or other circumstances beyond the control of the student. Withdrawal after the end of the fourteenth week (or 75% of the time the class is scheduled, whichever is less) which has been authorized in extenuating circumstances shall be recorded as a “W”.

For purposes of withdrawal policies, the term “appropriate faculty” means the Instructor of Record for each course in question or, in the event the instructor cannot be contacted, the department chair or equivalent faculty officer.

The “W” shall not be used in calculating units attempted nor for the student’s grade point average.

“W’s” will be used as factors in progress probation and dismissal.

A “W” shall not be assigned, or if assigned shall be removed from a student’s academic record, if a determination is made that the student withdrew from the course due to a discriminatory treatment or due to retaliation for alleging discriminatory treatment or that the student withdrew because he or she reasonably believed that remaining in the course would subject him or her to discriminatory treatment or retaliation for alleging discriminatory treatment.
A student may not withdraw and receive a "W" symbol on his or her record more than three times for enrollment in the same course. A student may enroll again in the same course after having previously received the authorized number of "W" symbols in the same course, if a designated college official approves such enrollment after review of a petition filed by a student.

MW Military Withdrawal

"Military Withdrawal" occurs when a student who is a member of an active or reserve United States military service receives orders compelling a withdrawal from courses. Upon verification of such orders, a withdrawal symbol may be assigned at any time after the period established by the governing board during which no notation is made for withdrawals. The withdrawal symbol so assigned shall be a "MW".

1. Military withdrawals shall not be counted in progress probation and dismissal calculations.
2. MW shall not be counted towards the permitted number of withdrawals.

The District shall refund the entire enrollment fee unless academic credit has been awarded.

RD Report Delayed

A notation of RD shall be entered on a student’s transcript when an instructor fails to turn grades in on time. The notation on the student’s transcript shall be changed to the grade earned by the student following receipt of the grades from the instructor.

Pass/No-Pass Option

The College President may designate courses in the college catalog wherein all students are evaluated on a "pass-no pass" basis or wherein each student may elect on registration or no later than the end of the first 30 percent of the term, whether the basis of evaluation is to be "Pass-No-Pass" or a letter grade. These courses will be noted in the college catalog as being eligible for the "pass-no pass" option.

The pass-no pass grading system shall be used in any course in which there is a single satisfactory standard of performance for which unit credit is assigned. A grade of Pass shall be assigned for meeting that standard (earning 70% or higher), and a grade of No Pass shall be assigned (earning a grade below 70%) for failure to do so.

The student who is enrolled in a course on a "pass-no-pass" basis will be held responsible for all assignments and examinations required in the course and must meet the same standards of evaluation as required for all students.

NOTE THAT UC AND CSU POLICIES ON ACCEPTING P/NP VERSUS GRADES VARY BY CAMPUS. SEE YOUR COUNSELOR FOR CURRENT INFORMATION.

B. OPTIONAL

The College President may designate courses in the College Catalog wherein each student may elect, no later than the end of the first 30 percent of the term, whether the basis of evaluation is to be "Pass/No-Pass" or a letter grade. Pass/No-Pass petition forms listing all approved courses are available in admissions.

Acceptance of Pass Credits

All courses and units (including those units earned on a “Pass/No-Pass” basis) used to satisfy requirements, including graduation requirements, educational program requirements and transfer core curriculum requirements, shall be from accredited institutions, unless otherwise specified in this Board Rule.

“Accredited institution” shall mean a postsecondary institution accredited by an accreditation agency recognized by either the U.S. Department of Education or the Council on Postsecondary Accreditation. It shall not mean an institution “approved” by the California Department of Education or by the California Council for Private Postsecondary and Vocational Education.

Recording of Grade

A student who is enrolled in a course on the “Pass/No-Pass” basis shall receive both course and unit credit upon satisfactory completion of the course. Satisfactory completion (earned 70% or higher) is equivalent to the grade of “C” or better. A student with unsatisfactorily performance (earned 70%) will be assigned a “No-Pass” (NP) grade.

Grade Point Calculation

Units earned on a “Pass/No-Pass” basis shall not be used to calculate grade point averages. However, units attempted for which “NP” (No-Pass) symbol is recorded shall be considered in probationary and dismissal procedures.

Standards of Evaluation

The student who is enrolled in a course on a “Pass/No-Pass” basis will be held responsible for all assignments and examinations required in the course and the standards of evaluation are identical for all students in the course.
Conversion to Letter Grade
A student who has received credit for a course taken on a "Pass/No-Pass" basis may not convert this credit to a letter grade.

Grade Changes

Grade Change Petition
The instructor of the course shall determine the grade to be awarded to each student in accordance with Board Rule 6702. The determination of the student's grade by the instructor is final in the absence of mistake, fraud, bad faith, or incompetence. The removal or change of an incorrect grade from a student's record shall only be done upon authorization by the instructor of the course, and concurrence of the office of Academic Affairs. The Grade Challenge policy is contained in Administrative Regulation E-55. The Ombudsperson is able to facilitate the process.

The changing of a grade is a serious matter that must be supported with documentation provided by the student of the course. To request a grade change, students may submit a petition for review to the Admissions Office.

NO GRADE MAY BE CHALLENGED BY A STUDENT AFTER ONE YEAR FROM THE END OF THE TERM IN WHICH THE COURSE WAS TAKEN.

Transcripts
Requests for transcripts or verifications may be obtained in the Admissions Office. Transcripts from another institution are not available for copying.

Upon written request of the student, a copy of the student's academic record shall be forwarded by the Admissions Office to a designated addressee promptly by U.S. mail.

A student or former student shall be entitled to two free copies of the transcript of his or her record or two free verifications of student records. Additional copies shall be made available to the student, or to an addressee designated by the student, at a cost of $3.00. Students may request special processing to expedite their request for an additional fee of $7. This option is Subject to the college's ability to provide this service.

The student's transcript may be withheld if there are any unpaid fees or charges due to the College or other restrictive hold.

Academic Renewal
(See an Academic Counselor For Advisement)

Students may submit a petition to the Office of Admissions and Records to have their academic record reviewed for Academic Renewal action of substandard academic performance under the following conditions:

1. Students must have achieved a grade-point-average of 2.5 in their last 15 semester units, or 2.0 in their last 30 semester units completed at any accredited college or university, and
2. At least one calendar years must have elapsed from the time the course work to be removed was completed.

If the student meets the above conditions, the College shall grant academic renewal, consisting of:

Academic renewal actions are irreversible. Students should meet with a College Counselor before taking such an action.

Course Repetition
(See an Academic Counselor For Advisement)

Repetition of courses for which substandard work has not been recorded shall be permitted only upon advance petition of the student and with permission of the College President or designee based on a finding that circumstances exist which justify such repetition. In such repetition under special circumstances, the student's permanent academic record shall be annotated in such a manner that all work remains legible. Grades awarded for repetition under special circumstances shall not be counted in calculating a student's grade-point-average.

Students may petition for approval to repeat courses up to a total of 15 units in which substandard grades (less than "C") were awarded. Students may repeat the same course only once for this purpose. Upon completion of a course repetition, the best grade earned will be computed in the cumulative grade-point-average and the student academic record so annotated.

No specific course or categories of courses shall be exempt from course repetition. This policy is adopted for use in the Los Angeles Community College District only. Other institutions may differ. Students planning to transfer to another college or university should contact that institution regarding its policy.

Student may also repeat certain activity, performance, and skills courses as stated below:

Legally mandated training requirement: Courses necessary to meet legally mandated training requirements as a condition of continued paid or volunteer employment may be repeated for credit any number of times.

Content differs each time the course is offered: the course outline of record must clearly differentiate how the content changes each time. Applied courses, such as production and studio courses, may also qualify as activity courses (see below). Courses where students apply theory may also fall under the category of content changing each time. Examples of these types of courses are poetry writing creative writing or conversational Spanish. Other examples of courses where content changes each time are: directed study, field work, special topics, or current events. Theory courses should not be repeatable.

Activity courses: are defined as those where the students meets course objectives by repeating a similar primary educational activity and gains an expanded educational experience each time the course is repeated, provided: (A) skills or proficiencies are enhanced by supervised repetition and practice within class periods; or (B) active participatory experience in individual study or group assignments is the basic means by which learning objectives are attained. Examples of activity courses that qualify as repeatable courses include but are not limited to the following: Kinesiology courses or visual or performing arts courses in music, fine arts, theater, dance, or career technical education courses. Foreign language and ESL courses are not considered "activity courses".
Granted, Academic Renewal Shall Result In:

a. Eliminating up to 30 semester units of coursework taken within the Los Angeles Community College District from consideration in the student’s cumulative grade-point average, and

b. Annotating the student academic record to note which courses have been removed through academic renewal. Academic renewal actions are irreversible.

Granting of Academic Renewal does not mean the course can be repeated beyond the maximum repeatability listed for the course.

Graduation honors and awards are to be based on the student’s cumulative grade-point average for all college work attempted.

This Administrative Regulation, as authorized by Board Rule 6700, Chapter VI, Article VII, is adopted for use in the Los Angeles Community College District only. Other institutions may differ, and students planning to transfer to another college should contact that institution regarding its policy.

Course Repetition to Remove a Substandard Grade

Students may repeat courses in which substandard grades (“D,” “F,” or “NC,” or “NP”) were awarded provided they have not already attempted the same course three times in the district.

When course repetition under this section occurs, the student’s permanent academic record shall be annotated in such a manner that all work remains legible, ensuring a true and complete academic history.

For the first and second repetitions of a course where a substandard grade was awarded, the highest grade earned shall be used when computing the student’s cumulative grade point average.

a. Students who have received three substandard grades for the same course may repeat it one more time upon approval of a filed petition documenting extenuating circumstances. Extenuating circumstances are verified cases of accidents, illness, or other circumstances beyond the control of the student.

Course Repetition: Fourth Attempt or More

FOURTH ATTEMPT

A student may enroll and receive an evaluative symbol of “D, F, NCR and NP” and/or a non-evaluative symbol of “W” in the same credit course a maximum of three times. Title 5 Regulation 55024 allows a district to establish a petition process for students attempting this same course a fourth time due to extenuating circumstances.

According to Board Rule 6701.10, “Extenuating circumstances may include, but are not limited to, verified cases of accidents, illness, military service, significant lapses of time, changes in program or major, or other circumstances beyond the control of the student.”

Repetition of Courses In Which A Satisfactory Grade Was Recorded

a. Repetition of courses for which a satisfactory grade of “A,” “B,” “C,” “CR” or “P” has been recorded shall be permitted only upon an advanced petition of the student and with the written permission from the college president, or designee, based on a understanding that extenuating circumstances exist which justify such repetition or that there has been a significant lapse of time since the student previously took the course. Significant lapse of time is defined as no less than 36 months since the most recent grade was awarded.

b. When course repetition under the section occurs, the student’s permanent academic record shall be annotated in such a manner that all work remains legible, ensuring a true and complete academic history.

c. Grades awarded for courses repeated under the provisions of sub-section “a” and “b” of this section shall not be counted in calculating a student’s grade point average.

d. When such repetition is necessary for a student to meet a legally mandated training requirement as a condition of continued paid or volunteer employment, such courses may be repeated for credit any number of times, and the grade received each time shall be included for purposes of calculating the student’s grade point average. The college shall establish policies and procedures requiring students to certify or document that course repetition is necessary to complete legally mandated training pursuant to this subsection.

THE COLLEGE'S PROCESS FOR CERTIFICATION OR DOCUMENTATION OF LEGAL TRAINING REQUIREMENTS SHALL BE DEVELOPED IN ACCORDANCE WITH THE PROVISIONS OF CHAPTER XVIII OF THE BOARD RULES - ACADEMIC SENATE AND BOARD OF TRUSTEES SHARED GOVERNANCE POLICY.

e. A student may repeat any course if the college has properly established a recency prerequisite for a course, if there has been “significant lapse of time.” In no instance shall this be less than three years. f. A student with a disability may repeat a class any number of times, if such repetition is required as a disability-related accommodation for that particular student.

Repeatable Courses

Certain courses in the Catalog may be repeated for additional unit credit. These courses, marked “RPT” in the Course Section of the Catalog, allow the student to build on skills and proficiencies by supervised repetition and practice within class periods. Enrollment in these courses is limited in any similar course to a maximum of three repeats for a total of four (4) enrollments, regardless of the repeatability of individual courses.

Duplicative Credit

Duplicative credit in non-repeatable courses should not be used towards the 60 units required for graduation regardless of whether or not the student petitioned to have the transcript annotated.
Awarding Credit
The colleges within the LACCD will accept upper division coursework completed at other colleges for the purpose of fulfilling Associate Degree requirements using the following guidelines:

1. Coursework must be completed at a United States regionally accredited institution.
2. A student must submit official transcripts from the originating institution.
3. Upper division courses may be applied to an LACCD general education area or major and/or elective requirements based on content equivalency to a general education, major or elective course offered at an LACCD campus.
4. Upper division courses in Math or English composition may be used to satisfy competency requirements for the Associate Degree.

Use of Upper Division Courses to Satisfy IGETC or CSU GE Breadth
Policy on the use of upper-division coursework on the IGETC and CSU GE is governed by the University of California and California State University systems. Consult with an academic counselor for complete details.

Previously Earned College Units
College credits earned at any accredited institutions of higher education may be evaluated for credit. Approved credits are posted to LACC transcripts upon completion of all other graduation requirements. Students must request copies of official sealed transcripts be mailed to the Office of Admissions and Records from each college attended.

Acceptance of Course to Meet Associate Degree and General Education Requirements:

Advanced Placement Credit

1. Course Equivalency

Course equivalency for Advanced Placement exams, for purposes other than meeting General Education and graduation competency requirements for the Associates Degree, shall be determined by the college, using policies developed in consultation with the college’s Academic Senate, in accordance with the provisions of LACCD Board Rules, Chapter XVIII, Article I.

Course equivalency does not award unit credit. For unit credit policy, see Appendix A.

2. USE OF ADVANCED PLACEMENT
Use of Advanced Placement exams for meeting General Education Requirements and graduation competency requirements for the Associate of Arts and Associate of Science Degrees

Advanced Placement (AP) Exams shall be used toward meeting General Education requirements and Graduation Competency for the Associate of Arts and Associate of Science Degrees, as defined in Board Rule Chapter VI, Article II.

Students must receive a passing score (3, 4, or 5) on an AP exam to receive the credit indicated in Appendix A.

3. Advanced Placement Unit Credit

For the purpose of granting unit credit towards meeting General Education and graduation competency requirements, the LACCD shall follow the guidelines for Advanced Placement credit set by the American Council on Education:

In general, the recommended minimum number of semester hours from ACE corresponds to the status of the corresponding high school AP course:

- 3 semester hours are recommended in the case of a half-year course
- 6 semester hours for most full-year courses
- 8 semester hours for some of the mathematics, sciences, and foreign languages

4. CSU GE Breadth and IGETC

The placement of courses in the California State University General Education Breadth (CSU GE-Breadth) and the Intersegmental General Education Transfer Curriculum (IGETC) Plans is determined by the University of California and California State University systems respectively.

College Level Examination Program (CLEP) Credit

1. Course Equivalency

Course equivalency for CLEP (College-Level Examination Program) exams, for purposes other than meeting General Education and Graduation Competency requirements for the Associate Degree, shall be determined by the college, using policies developed in consultation with the college’s Academic Senate, in accordance with the provisions of LACCD Board Rules, Chapter XVIII, Article I.

Course equivalency does not award unit credit. For unit credit policy, see Appendix A below.

2. Use of CLEP exams for meeting General Education requirements and Graduation Competency requirements for the Associate in Arts and Associate in Science Degrees, as defined in Board Rule Chapter VI, Article II.

Students must receive a passing score (50) on most CLEP exams, except Foreign Language level 2 exams which require a higher score.

Students who take an Advanced Placement (AP) exam, an International Baccalaureate (IB) exam or College-Level Examination Program (CLEP) exam in the same topic area will receive credit for only one exam (for example, if a student takes both the CLEP exam in Biology and the AP exam in Biology, they will only be awarded credit for one exam because the topics are duplicative). The college should award credit for the exam that most benefits the student.

3. CLEP Unit Credit

For the purpose of granting unit credit towards meeting General Education and Graduation Competency requirements, the LACCD shall follow the guidelines for CLEP credit set by the American Council on Education:

- 3 semester hours are recommended in the case of a half-year course
- 6 semester hours for most full-year courses.
- 12 semester hours for Level 2 Foreign Language exams equivalent to four semesters of college-level foreign language course work.

Probation & Dismissal

The following standards for academic and progress probation shall be applied as required by regulations adopted by the Board of Governors of the California Community Colleges.

A student shall be placed on probation if any one of the following conditions prevail:

Academic Probation: the student has attempted a minimum of 12 semester units of work and has a grade-point-average less than a “C” (2.0).

Progress probation: the student has enrolled in a total of at least 12 semester units and the percentage of all units in which a student has enrolled and for which entries of W (Withdrawal), I (Incomplete), and NP (No Pass) are recorded reaches or exceeds fifty percent (50%).

Units Attempted: “Units Attempted,” for purposes of determining probation status only, means all units of credit in the current community college of attendance in which the student is enrolled.

Students shall be subject to dismissal and subsequently be dismissed under the conditions set forth within this section. Dismissal from Los Angeles City College shall disqualify students from admission to any college in the Los Angeles Community College District (LACCD).
Academic Dismissal: Students who are on academic probation shall be subject to dismissal if they have earned a cumulative grade-point-average of less than 2.0 in all units attempted in each of three consecutive semesters.

Students who are on academic probation and who earn a semester grade-point-average of 2.0 or better shall not be dismissed as long as this minimum semester grade-point-average is maintained.

Progress Dismissal: Students who are on progress probation shall be subject to dismissal if the cumulative percentage of units in which they have been enrolled for which entries of W (Withdrawal), I (Incomplete), and NP (No Pass) are recorded in at least three (3) consecutive semesters reaches or exceeds fifty percent (50%).

Students who are on progress probation shall not be dismissed after a semester in which the percentage of units in which they have been enrolled for which entries of W, I and NP are recorded is less than fifty percent (50%).

Students who are subject to dismissal may appeal to the Vice President of Student Services. Dismissal may be postponed and the student continued on probation if the student shows significant improvement in academic achievement but has not been able to achieve a level that would meet the requirements for removal from probation.

Students who have been dismissed may request reinstatement after two (2) semesters have elapsed. They shall submit a written petition requesting readmission to the College in compliance with College procedures. Readmission may be granted, denied, or postponed subject to fulfillment of conditions prescribed by the College. Students must file a petition to return prior to the day for new and returning students to register in person. Refer to the College Calendar in the current Schedule of Classes for effective dates.

Conditions of Enrollment

Unless specifically exempted by law, every course for which State aid is claimed is fully open to any person who has been admitted to the College and who meets the appropriate academic prerequisites.

Concurrent Enrollment

Concurrent enrollment in more than one section of the same course during a semester is not permitted, except for certain Kinesiology classes on a limited basis. Concurrent enrollment in courses which are cross-referenced to each other is not permitted. Violation of this regulation will result in exclusion from class and denial of course credit in both courses. Enrolling in classes scheduled or conducted during overlapping times is not permitted. In addition to exclusion from both classes and denial of credits, violators will be subject to disciplinary action.

Auditing

Students may be permitted to audit a class under the following conditions:

1. Payment of a fee of $15 per unit. Fees are not refundable and they are not covered by a fee waiver. 2. Students auditing a course shall not be permitted to change their enrollment in that course to receive credit for the course.

3. Priority in class enrollment shall be given to students wanting to take the course for credit.

4. Permission to enroll in a class on an audit basis is at the instructor's discretion.

Dual Enrollment

The Dual Enrollment Program is an accelerated program that allows qualified students to fulfill high school graduation requirements while simultaneously gaining college or vocational credits toward a certificate, diploma or college degree. Los Angeles City College offers a variety of college courses that are conveniently offered at our local high schools. Students and counselors should note these classes should be taken by students ready for college level work. Our goal is to allow high school students exposure to college level curriculum and prepare them for post secondary education. Research has shown us that Dual Enrollment classes can be used effectively to promote post secondary education and success, expand rigor and breadth of high school curriculum, and provide access to challenging, college preparatory curriculum to students who might otherwise have been shut out of such curriculum through the traditional high school system. Classes are open to LACC students who are willing to travel to the local high school.

Dual Enrollment classes are scheduled through the LACC administration by request of the high school principal or college counselor. Applications are available for high school staff by contacting Harley Hass at haasht2@lacitycollege.edu.

Deans’ & President’s Honors

Students with outstanding scholastic achievement are given public recognition through the Los Angeles City College Dean's List. Full-time students (a student enrolled in 12 or more graded units the qualifying semester) must earn a 3.5 or higher GPA. Part-time students (a student enrolled in 6 through 11 graded units) must have completed 12 units and earn a 3.5 or higher GPA in the qualifying semester. Only the grades from courses completed at LACC, during the qualifying semester, will be used in calculating the grade point average (GPA). Grades of “Credit” will not be counted in meeting the unit requirement for the Dean’s or President’s Honor List.

Students who have appeared on the college's full-time or part-time Dean’s Honor List for three (3) consecutive semesters will be placed on the President’s Distinguished Honor List. Students who think they qualify for either of these honors can go to the Admissions Office and request an unofficial transcript of their records, or use an electronic kiosk, or access
the college's website and print out their transcript. Bring the unofficial transcript to the Office of Student Life & Leadership Development, located in the Student Union for verification.

The Dean’s Honor Program is held annually each spring semester to acknowledge the students who earned their honors the prior spring and fall semesters.

For graduation with honors (Summa Cum Laude, Magna Cum Laude, Cum Laude), see “Graduation With Honors” in the Graduation Requirements section of this catalog.

Educational Environment Policy

Due to requirements set forth by the Occupational Safety and Health Administration, proper attire, including shoes, eye ware, and other articles, should be worn during all class hours.

Directed Study Courses

Directed Study courses are offered by several academic and vocational departments. They are designed for students who are capable of independent work and who demonstrate the need or desire for additional study beyond the regular curriculum. Enrollment allows students to pursue activities such as directed field experience, research, or the development of skills and competencies under faculty advisement and supervision. Directed Study courses are available in a wide variety of disciplines. Students wishing to enroll in a Directed Study course should contact the appropriate department chair.

Units are awarded depending upon satisfactory performance and the amount of time committed by the student to the course. Allowable units vary according to discipline and are based on the following formula:

Directed Study 185 (1-unit) = 48 hours per semester
Directed Study 285 (2-unit) = 96 hours per semester
Directed Study 385 (3-unit) = 144 hours per semester

Students should note that there are limitations as to the allowable maximum number of Directed Study units. For all Directed Study Courses transferring to the University of California, the maximum credit allowed is 3 semester units per term or six units total in any and all appropriate subject areas combined. The granting of transfer credit for Directed Study courses is contingent upon review of the course outline by the appropriate UC campus.

It is recommended that students consult with a College Counselor and with the appropriate instructor and/or department chairperson before enrolling in Directed Study courses. Please refer to the current Schedule of Classes for information regarding specific Directed Study classes being offered.

During the first two weeks of the term, available classes are posted by section number in an area near the Office of Admissions in the Administration building. As with other LACC classes, the available classes listed at the Add Card Center are available to add by telephone.

Distance Education Learning

LACC’s Distance Education (DE) courses include lectures, discussion, assignments, and tests delivered via the Internet with regular opportunities for electronic interaction with instructors and other students. To enroll in DE classes you must have access to a computer, the Internet, and an e-mail account. LACC guarantees instructor initiated contact via the learning management system and email that is commiserate with the type of instruction found in the traditional classroom. Contact with the instructor may include weekly chat rooms, discussion forums, personalized assignments, and digital office hours.

LACC may be required to receive state authorization to enroll students who do not reside in California. Many states have either given the college this authorization or do not require authorization. However, some states require significant fees to receive state authorization. Due to the significant and/or recurring fees for state authorization, LACC no longer permits a student to enroll if he/ she resides in one of the following states: Alabama, Arkansas, Maryland, Minnesota, Utah, or Wisconsin. For more information, including an online learning readiness assessment and a list of current DE courses, visit lacitycollege.edu/offsite/distance-ed/

Policies: Student

Classroom Conduct

Instructors are responsible for presenting appropriate material in courses, and students are responsible for learning this material. Although it is a student’s academic performance that is evaluated in determining grades, student conduct is important in the academic setting. Enrollment in a class may be terminated due to unsatisfactory student conduct, undue disrespect toward an instructor or administrator, or academic dishonesty. Each student is responsible for maintaining standards of academic performance established for each course in which he or she is enrolled.

Student Discipline Procedures

Community college districts are required by law to adopt standards of student conduct along with applicable penalties for violation (Education Code Section 66300). The Los Angeles Community College District has complied with this requirement by adopting Board Rules 9803 and 9804-9806, Standards of Student Conduct.

The LACCD has adopted Board Rule 91101, “Student Discipline Procedures,” to provide uniform procedures to assure due process when a student is charged with a violation of the Standards of Student Conduct. All proceedings held in accordance with these procedures shall relate specifically to an alleged violation of the established Standards of Student Conduct. These provisions do not apply to grievance procedures, student organization councils and courts, or residence determination and other academic and legal requirements for admission and retention. Disciplinary measures may be taken by the College independently of any charges filed through civil or criminal authorities, or both.
Copies of the Student Discipline Procedures are available in the Office of Vice President of Student Services.

Academic Freedom
The Board of Trustees reaffirms its commitment to academic freedom, but recognizes that academic freedom does not allow Prohibited Discrimination. The discussion of ideas, taboos, behavior or language which is an intrinsic part of the course content shall in no event constitute Prohibited Discrimination. It is recognized that an essential function of education is a probing of received opinions and an exploration of ideas which may cause some students discomfort.

It is further recognized that academic freedom.

Student Grievance Procedures (E-55 Regulation)
The purpose of the E-55 regulation is to provide a prompt and equitable means for resolving student(s) grievances. In the pursuit of academic goals, the student should be free of unfair or improper action by any member of the academic community. The grievance procedure may be initiated by one or more students who reasonably believe to have been subject to unjust action or denied rights involving their status or privileges as students.

It is the responsibility of the student(s) to submit proof of alleged unfair or improper action. Grievances pertaining to grades are subject to the California Education Code Section 76224(a) which states: When grades are given for any course of instruction taught in a community college district, the grade given to each student shall be the grade determined by the instructor of the course and the determination of the student’s grade by the instructor, in the absence of mistake, fraud, bad faith or incompetency, shall be final.

The role of the Ombudsperson is that of a facilitator of the grievance process, and not that of an advocate for either the grievant(s) or respondent(s). During the informal resolution stage of the grievance process, the ombudsperson will facilitate informal meetings and discussions that may lead to a resolution of the grievance.

This grievance procedure does not apply to the challenge process for prerequisites, co-requisites, advisories and limitations on enrollment; alleged violations of sexual harassment; actions involving student discipline; alleged discrimination on the basis of the ethnic group identification, religion, age, sex, color, sexual orientation, physical or mental disability; or an appeal for residency decision; or the eligibility, disqualification or reinstatement of Financial Aid.

Information about the grievance procedures and a copy of the regulation are available to grievant(s) and/or respondent(s) upon request from Mr. Edward Bird Song, at (323) 953-4000 ext. 1256 or Dr. Jeremy Villar (323) 953-4000 ext. 2011, both serving as campus ombudspersons.

The LACC Associated Student Government (ASG) is the official student organization that represents students’ needs and concerns. The ASG is a significant component of LACC’s shared governance process. The governing body of the ASG is the Student Senate, composed of officers elected annually by the student body at large, following requirements of LACC Administrative Regulation S-9.

LACC students are encouraged to join the ASG by paying the ASG fee of $7.00 per semester. The membership benefits include participation in student government, preferred parking, book grants (limited number to qualified applicants), free copier services (weekly limit), free scantrons and bluebooks (weekly limit), discounted local faxing, free admission to ASG supported cultural and social events, discount tickets to theaters and local amusement parks, and much more.

It provides funding support for a variety of campus activities including Dean’s Honor Ceremony, Commencement, Welcome Days, Health Fair, English Writing Contest, Forensics Team, Latino Heritage Festival, Foreign Language Day, African-American History Month, blood drives, social events, speakers, and other events. Student clubs provide a rich and exciting multi-cultural dimension to college life. Listed below are College-authorized “extra-curricular” (outside or supplemental to course work) activities available to LACC students.

The Art Department presents exhibitions of interest to the diverse community served by the College. The gallery in DaVinci Hall features drawing, painting, graphics, photography, sculpture, and ceramics by artists of local and international reputation, as well as offering a first-time gallery exhibition experience to students.

Forums, guest speakers, and art demonstrations are presented throughout the year and are open to the general student body. Student work is prominently displayed in the first and second floor cases in DaVinci Hall.

The Annual Art Competition and subsequent scholarships reward outstanding department students with cash awards based on submitted portfolios.

The Citadel publishes work that reflects the socio-cultural changes taking place on campus, in the city, as well as in the world.
The Citadel addresses issues that reflect changes due to America’s growing diversity; reviews and illuminates LACC’s understanding, respect, and eager embrace of the many cultural aspects of its students from around the world.

The Music Department presents numerous concerts during the academic year that feature outstanding student soloists, ensembles, and guest artists. Concerts are designed to inform students about current trends in music.

The Theatre Arts department and the Theatre Arts Academy present several plays each semester utilizing up to three theaters located on campus: the Camino, the Caminito, and the Cameo. In existence since 1929, the department has built a reputation for excellence that is nationally recognized. Scores of its graduates have been invited to Washington, D.C. as part of the Kennedy Center/American College Theatre Festival.

In 1965 the department was designated by the Community College Board of Trustees as the professional theatre training school for the Los Angeles Community College District. It is the largest, most comprehensive professional theatre training institution in the West.

Los Angeles City College, as required by the Department of Veterans’ Affairs (DVA) policy, conducts an evaluation of all prior postsecondary education, experience and training (civilian and military) before certifying for a second enrollment period. As required, Los Angeles City College grants the appropriate credit, shortening the training period proportionately, and notifies both the DVA and the student of the amount of credit allowed towards their declared program.

Unless otherwise notified, all programs (majors) in this catalog are approved for VA benefits payment. Transfer programs are approved contingent upon Los Angeles City College having current articulation agreements with the universities offering the transfer programs. Contact the Transfer Center for more information about approved transfer programs. To maintain eligibility, Veteran students must maintain standards of academic progress as indicated in the College Catalog.
