Rahshan Wall
Motivational Speaker
"With Liberty and Justice for All"

Rahshan spends a great majority of his time working on TV, commercial and film projects and holds an extensive resume on various projects that we know and enjoy.

Because of this, merged with his leadership, Rahshan speaks from experience to let those up and coming know that they too can live out their dreams, become a catalyst for their community and be beacons of light in this world that we live in.

Tuesday, February 19th
