“LOST IN YONKERS” Part of KC/ACTF Festival

The Kennedy Center American College Theater Festival XXXII Presented and Produced by
The John F. Kennedy Center for the Performing Arts, Supported in Part by The Kennedy Center
Corporate Fund, The Department of Education, and The National Committee for the Performing Arts

This production of “LOST IN YONKERS” is entered in the Kennedy Center American College Theater Festival (KC/ACTF). The goals of this national theater education program are to identify and promote quality in college-level theater productions. To this end, each production entered is eligible for a response by a regional KC/ACTF representative, and certain students are selected to participate in KC/ACTF programs involving awards, scholarships, and special grants for actors, playwrights, designers, and critics at both the regional and national levels.

Productions entered on the Participating level are eligible for inclusion at the KC/ACTF regional festival and can also be considered for invitation to the KC/ACTF national festival at the John F. Kennedy Center for the Performing Arts in Washington, DC, in the spring of 2000.

Last year more than 900 productions and 18,000 students participated in the American College Theater Festival nationwide. By entering this production, our Academy is sharing in the KC/ACTF goals to help college and university theatres across the nation.
