WHO'S WHO...

**EDDIE BLEDSOE** (Costume Designer) designed Reza Abdoh's last production, A STORY OF INFAMITY for the Frankfort Opera and the soon to be released film, ROCKETS RED GLARE. Eddie also designs the "DaVinci" retro shirts featured in THE TRUMAN SHOW, "Saturday Night Live," and "The Drew Carey Show."

**JENNIFER J. BRAKE** (Radio Announcer, Woman with Furs, Voice) is beginning her fifth semester with her spine and health intact. She was seen in the One-Acts "PENGUIN BLUES" and "THE DEVIL & BILLY MARKHAM." and last fall's "NIGHT OF JANUARY 16." Jennifer would like to dedicate this performance to Margot and Sissy. She says that "art lives in each of us."

**FRED FATE** (Producing Director) is a faculty member of the Theatre Academy. Mr. Fate also serves as Chair of the Theatre Arts Department & Academy and as Project Director of Upward Bound, a federal program for motivated college-bound high school students. Mr. Fate recently served as Regional Chair of KC/ACTF.

**LESLIE FERREIRA** (Director) directed last semester's West Coast Premiere of "HALF COURT" by Brian Silberman as well as "DANCING AT LUGHNASA" and the original "UNTO YOU." Mr. Ferreira teaches directing and acting at the Theatre Academy and supervises the Student Directed One-Act Play Festival. He received an MFA from Carnegie Mellon University.

**BRIAN FUGELSANG** (Technical Director) is a recent addition to the Theatre Academy staff. Coming to us from California Shakespeare Festival and Berkeley Repertory Theatre, Mr. Fugelsang also was Technical Director for last semester's critically acclaimed production of "HALF COURT" & "THE WAITING ROOM."

**LISA HASHIMOTO** (Set Designer) is Head of the Scenic Design program at the Theatre Academy. She is an award-winning set and lighting designer. Ms. Hashimoto received her Bachelor of Architecture degree from Penn State and a Master of Fine Art from Cal State Long Beach.
ROBERT L. HOWELL (Lighting Designer) received his BA from Irvine and an MA from the University of Washington. Since graduation, Mr. Howell has taught at several universities before joining the full-time faculty at LACC in 1987. He is currently Head Technical Theatre and has done much to strengthen the program through the Academy's acquisition of some of the most innovative technologies available to the student theatre technician.

DIANA LARIOS (Young Woman) is a third semester Academy student and this is her debut role. She is very happy and excited to be at the Academy and hopes that this will be the start of a lasting career. Ms. Larios hopes the ones she loves the most will be at her side, sharing in her joy.

AMILY J. MORALES (Young Woman) is a third year acting major at the Theatre Academy. Having played a unique variety of roles while at the Academy, including "THE DEVIL AND BILLY MARKHAM," "THE NIGHT OF JANUARY 16" and last semester's "THE WAITING ROOM.," Ms. Morales thanks her many supporters and friends, without whom she would not be here.

HOPE PANCHENKO (June ) is another third year Academy student who has performed in a variety of roles in "A STREETCAR NAMED DESIRE," "THE WAITING ROOM," "THE SAND BOX," and "THE NIGHT OF JANUARY 16." Ms. Panchenko continues to love the unique casting possibilities at the Academy.

MARIO C. RODRIGUEZ (Stage Manager) is starting his second year at the Academy after having been in Tech Theatre for 5 years. His main interests being stage management and sound engineering, Mr. Rodriguez worked this past summer at the Ford Amphitheatre, The Alex Theatre, Pro-Mix Sound and the Glendale Unified Schools. While at the Academy he has been ASM for "THE WAITING ROOM," Sound Designer for the Student Directed One-Acts, and Master Electrician for "ALL'S WELL THAT ENDS WELL."

GREGG STROUSE (Subway Announcer, Man with golf Club, Man with Ice Cream, Lenny, Scar Tissue) marks his 10th anniversary of leaving Philadelphia for California with this production. At UC Berkeley he began his acting career as Bo Decker in "BUS STOP" and then in the musical "WORKING" he found the Theatre Academy at the KC/ACTF regionals in Utah. Two years later Mr. Strouse is honored to be in his first play at the Theatre Academy.

BECCA WHITE (Angel) is in her third year at the Theatre Academy with "MARISOL" being her fifth production. She loves to paint, also, but was not allowed to paint for this production. She is very proud of her role as Helena in last year's "ALL'S WELL THAT ENDS WELL." When Becca grows up, she wants to be an Italian pirate sailing the seven seas with her brother, Vladimir.

To be part of Mr. Miller's world is to be in an adult environment concerned with a search that cuts to the bone. "AFTER THE FALL" is a beautiful and remarkable play that is as exciting today as when it was first written.

Presented and Produced by
The John F. Kennedy Center for the Performing Arts
Supported in Part by The Kennedy Center Corporate Fund
The Department of Education
The National Committee for the Performing Arts

This production of “MARISOL” is entered in the Kennedy Center American College Theater Festival (KC/ACTF). The goals of this national theater education program are to identify and promote quality in college-level theater productions. To this end, each production entered is eligible for a response by a regional KC/ACTF representative, and certain students are selected to participate in KC/ACTF programs involving awards, scholarships, and special grants for actors, playwrights, designers, and critics at both the regional and national levels.

Productions entered on the Participating level are eligible for inclusion at the KC/ACTF regional festival and can also be considered for invitation to the KC/ACTF national festival at the John F. Kennedy Center for the Performing Arts in Washington, DC, in the spring of 2000.

Last year more than 900 productions and 18,000 students participated in the American College Theater Festival nationwide. By entering this production, our Academy is sharing in the KC/ACTF goals to help college and university theatres across the nation.

**THEATRE ACADEMY AWARDED TWO FEDERAL UPWARD BOUND GRANTS**

This past May, through the U.S. Dept. of Education, LACC was awarded two four-year grants to establish and continue, respectively, an Upward Bound program for college-bound high school students in the L.A. area. Over the past four years, the Theatre Academy has administered this program and developed an innovative educational enhancement experience for 50 carefully selected students from local area L.A. high schools. With the awarding of a second grant, the Theatre Academy’s Upward Bound program will also be serving 50 additional students from Hollywood and Belmont High Schools.

The uniqueness of this Upward Program at LACC is that it is being administered through the Theatre Academy. In addition to fundamental courses required of all Upward Bound programs, many of the courses, speakers, events, and tours relate to the development of communication skills. The Theatre Academy is committed to assisting these terrific high school students in gaining the necessary knowledge and skills for successful achievement during college/university years. *Hats off to all the students!* For further information, call (323) 953-4500.
