PRODUCTION ONE HUNDRED THIRTY-EIGHT, TENTH SEASON

"RADIOSIS"

By Betty Andrews and Jerry Dodson. Music by Jean Louise Boggess

PROGRAM NOTE

The first purpose of the Little Theater always has been and always will be EDUCATION rather than ENTERTAINMENT. All selections for our schedule of productions are made with that in mind, as is all play casting and direction. In keeping with this policy it is our aim to present each semester, as many original plays as is possible, thereby guaranteeing that the complete effort of play production will be entirely our own. This is the second of such presentations this semester, the first being the five one-act plays.
