Objective: To obtain a position at the Los Angeles County Children's Home.

Education:

Associate of Arts in Psychology

Los Angeles City College, Los Angeles, December 2020

Relevant Courses: General Principles of Psychology, Abnormal Behavior, Human Development: A Life Span, Research Methods in Psychology

Honors: Dean's List 2018 – December 2020

Language Skills: Fluent in Spanish

Relevant Skills and Knowledge:

Crisis Intervention and Counseling

- Effectively interviewed, assessed, and counseled individuals and families in crisis over the telephone and in person.
- Demonstrated proficiency in providing comprehensive case management services and formal documentation.
- Utilized crisis intervention strategies with adults and children who were suicidal, mentally, physically, and terminally ill, addicted, elderly, and isolated.
- Delivered hospice care for severely challenged children and elderly individuals.

Cross-Cultural Experience

- Provided counseling services to clients from a wide range of ethnic and religious backgrounds in cooperation with other human service professionals.
- Co-facilitated an in-service training for 10 staff on community resources in the Sacramento area for Native American clients.
- Acquired awareness and knowledge of issues affecting the African American community as a result of educational training and work experience.

Project Development

- Facilitated and implemented a toy drive for homeless children.
- Researched and co-produced a slide show about the homeless shelters in Los Angeles.
- Recognized for successfully reorganizing a program that distributes food material goods to clients in the Los Angeles area.
