

Los Angeles City College's Radiologic Technology Program

Mission Statement:

The mission of the LACC Radiologic Technology Program is to teach students the technical and interpersonal skills necessary for success as a professional diagnostic medical radiographer.

Program Goals:

1. Goal: Prepare clinically competent entry-level Radiologic Technologists.
 - Student Learning Outcomes:
 - Students will perform routine radiographic examinations.
 - Students will possess knowledge of radiographic procedures and patient care.
 - Students will employ radiation protection to patients, themselves and others.
 - Students will use ethical practices in health care delivery.
2. Goal: Cultivate Radiologic Technologists who utilize exceptional communication skills with patients and coworkers.
 - Student Learning Outcomes:
 - Students will communicate, both verbally and nonverbally in a professional manner with the patient.
 - Students will discuss effective communication in the clinical environment.
3. Goal: Train Radiologic Technologists to use critical thinking and problem solving skills to perform job related functions.
 - Student Learning Outcomes:
 - Students will alter their approach to complete examinations for patients of different age groups.
 - Students will evaluate radiographic images for adequate positioning, density/brightness, contrast, and recorded detail/spatial resolution.
4. Goal: Produce Radiologic Technologists who will grow, develop, and become members of professional organizations that foster career growth.
 - Student Learning Outcomes:
 - Students will evaluate career opportunities and advancement for the radiographer.
 - Students will analyze the career growth opportunities gained from being involved in a professional medical imaging organization.
 - Students will create a professional portfolio that illustrates growth with their careers.

Accreditation Information:

- The Los Angeles City College Radiologic Technology Program is accredited by the Joint Review Committee on Education in Radiologic Technology (JRCERT).
