IMPORTANT INFORMATION: Courses on this list are approved for a specific academic year, which begins with the fall 2022 semester and remains valid through summer 2023. CSU GE-Breadth certification is available to community college transfer students who satisfy the general education requirements in each subject area. To be certified means that LACC counseling faculty have verified that a student has completed the lower-division General Education requirements listed in each A-F subject area of the CSUGE pattern. Students who are CSUGE certified will only be responsible for an additional 9 semester units of upper-division general education at their transfer CSU campus. To request full or partial CSU GE-Breadth certification, students should consult with a counselor for proper curricular review and sign-off.

Students who have taken courses at other California community colleges (CCCs) can have these courses “passed along” in the certification process. Los Angeles City College will certify courses taken at other CCCs in the subject areas designated by the offering college. Courses taken at other regionally accredited colleges (in-state, out-of-state, private, public) will be evaluated by counseling faculty. Courses from foreign institutions cannot be used for CSUGE certification. The Articulation Officer has final determination of course review and the application of credit for CSU GE-Breadth certification.

ADDITIONAL INFORMATION

- A course cannot satisfy more than one General Education area requirement (even if listed under multiple areas).
- Courses used to satisfy General Education requirements may also satisfy Major Preparation requirements.
- LACC recommends that students complete as many lower division requirements for the major before transfer. Major preparation requirements are listed at www.assist.org--the official source for California articulation and student transfer information. Other lower division courses that are not offered at LACC may be required for the major after transfer.
- Students who certify with full CSU-GE Breadth are eligible to earn a local certificate of achievement.
- Completion of the General Education requirements is not a guarantee of admission into a university but can increase the student’s chances for acceptance.
- Courses from foreign institutions cannot be used for CSUGE certification, however, international courses can be evaluated at the receiving CSU and applied to CSU Campus-specific requirements.
- The CSU GE-Breadth pattern may not be the best general education preparation pathway for ALL majors (such as Engineering, Computer Science and Liberal Studies – Teacher Prep). Please consult with a counselor to discuss an appropriate plan to meet your educational goals.
- Eligible students who transfer with the CSU GE-Breadth for STEM will need to complete 6 semester units of lower-division GE and 9 units of upper-division GE after transfer. Students may be held to other campus specific graduation requirements outside of general education and major coursework.
- Students who are first-time students as of fall 2021 or later will need to complete the Area F Ethnic Studies requirement for full certification. Consult with a counselor for more information regarding which catalog rights you are allowed to assert (i.e., if you maintained continuous enrollment at a CCC or CSU).

SUMMARY

1. Minimum of 60 semester or 90 quarter CSU transferable units with a minimum 2.0 GPA.
2. Courses satisfying Areas A1, A2, A3, and B4 (The “Golden Four”) must be completed with a grade of “C-” or better.
3. Students are encouraged to meet with a counselor to discuss the G.E. and lower division major requirements for transfer.
4. CSU GE certification is governed by the CSU system. The Articulation Officer has final review and determination of all courses applied to CSUGE.
5. This advisement sheet can be modified or updated from time to time. All CSU articulated courses can be verified at www.assist.org
