The impeached Executive or Senator may also choose to remain silent during any portion of the conduct process and no inference will be drawn from their silence.

Executive or Senator; however, the Executive or Senator charged with infringements of the ASG governing documents can ask the ASG President or Dean of Student Services or his/her designee to be reappointed. In recognition of the diverse views of the campus, the goals of the Student Senate as they relate to sponsorship are to promote the empowerment and recognition of all students from different ethnicity, color, national origin, ancestry, religion, creed, gender, sex (except as exempt from Title IX), pregnancy, marital status, medical condition (cancer related), sexual orientation, age, disability, socio-economic status, or veteran's status. This commitment is manifested in striving toward the recruitment, retention, and success of all students, faculty, staff, and administration. Moreover, through the sponsorship of student organizations, the support of the ASG toward student organizations will be reflected in providing chartering and the necessary resources, where funding is available, to ensure quality programs on campus. Most importantly, the Student Senate strongly advocates for the existence and empowerment of student groups that have the following concerns:

1. Providing avenues for the student body to serve and assist the community in addressing societal problems including, but not limited to, educational and socioeconomic disadvantages.

Additionally, this section will guide the Student Senate in determining which groups it will financially sponsor. The Student Senate would ideally like to sponsor all student groups that reflect the diversity within LACC; however, due to limited resources, the Student Senate is forced to limit sponsorship to those student groups whose existence and operations are in accordance with the goals of the Student Senate and are, therefore, vital to the overall governance of the ASG.
